IV. Other Matters

V. Adjourn

Cleveland County
Health Department

Board of Health Meeting
Date: April 13, 2021

Members Present: Pepper Martin, Darry Stacy, Harold Haralson

Others Present: Corey Colen, Mike Potter, Matt Miller, Jody Hartwig, Lisa Connery, Lauren Spangler, Raelina Tucker, Amy Allen, Matt Nichols

The notice of the meeting was posted in the front lobby of the Cleveland County Health Department from April 6, 2021 through April 13, 2021. Notice of this meeting was also on file at the Cleveland County Courthouse.

Darry Stacy called the meeting to order at 7:30am with a quorum present. The minutes were read and the motion was made by Pepper Martin and seconded by Harold Haralson to accept the minutes from March 2021. All were in favor.

Business:

Topic	Discussion	Action
Staff Reports: **Children First**	Natalie Dixon distributed copies of the March 2021 Children First report to the Cleveland County Board of Health members and staff (please see attachment). Raelina Tucker presented the Children First report for March 2021 to the Cleveland County Board of Health and staff.	
Environmental Health	Natalie Dixon distributed copies of the March 2021 Environmental Health report to the Cleveland County Board of Health members and staff (please see attachment). Amy Allen presented the Environmental Health report for March 2021 to the Cleveland County Board of Health and staff. Amy Allen mentioned that the new online food-handlers class is very close to being ready to use. Darry Stacy stated that if needed, the county PIO can assist with getting the message out once it is ready.	

Community Health Education and Planning	Natalie Dixon distributed copies of the March 2021 Community Health Education and Planning report to the Cleveland County Board of Health members and staff (please see attachment). Matt Nichols presented the Community Health Education and Planning report for March 2021 to the Cleveland County Board of Health and staff. Matt also gave a detailed report on the current COVID-19 case and vaccine numbers for Cleveland County. Mike Potter added that the state will pause the use of the Johnson & Johnson COVID-19 vaccine after there had been some reports of adverse reactions. Mike also stated that the number of clients attending vaccine PODs has begun to decline, so the health department is considering different options as far as days and times to offer the vaccine. Lisa Connery asked if the vaccine is effective against the newer virus variants. Matt Nichols stated that there is not quite enough data yet to say for sure, but that the vaccine manufacturers say the vaccines are at least somewhat effective against the variants. Lisa Connery asked if OU set up a vaccine POD for students. Mike Potter stated that they did.	
Nursing	Natalie Dixon distributed copies of the March 2021 Nursing report to the Cleveland County Board of Health members and staff (please see attachment). Raelina Tucker presented the Nursing report for March 2021 to the Cleveland County Board of Health and staff.	

Cleveland County
Health Department

Administration	Natalie Dixon distributed copies of the March 2021 Administration report to the Cleveland County Board of Health members and staff (please see attachment). Mike Potter presented the Administration report for March 2021 to the Cleveland County Board of Health and staff.	
Other Matters:	No other matters presented.	
Adjournment:	Board of Health Meeting adjourned at 8:07am	Motion was made by Harold Haralson and was seconded by Pepper Martin.

Chairman
Cleveland County Board of Health

Minutes prepared by Natalie Dixon, Accreditation Coordinator and Corey Colen, Administrative Programs Officer

Children First: Oklahoma's Nurse-Family Partnership

By Tracie Rochester RN, MPH

Board of Health Meeting

Stats from March 2021

	Cleveland County	Grady County	McClain County
Completed visits	108	16	9
Active clients	51	10	4
New referrals	9	1	0
Pending referrals	11	2	0

Staffing: We currently have five full-time nurses and one lead nurse.

Productivity: The number of active clients, completed visits and referrals are down due to the number of hours the nurses are working in the vaccine administration PODs. We did see an increase in the number of completed visits and referrals this month as compared to last month.

Training: Some of the nurses were able to complete the SEATS (Data Security) training this month.

Date: April 2021

Food Handler Class – On-Line Version Update
The on-line version of the food handler class is nearly ready to launch for Cleveland County. They are finishing up the last technical tasks this week and the next, and then we will be able to launch with current content. The new content we've requested is in the translation/review stage. This stage is taking longer than normal as the health department that is producing it has all their translators assigned to COVID-19 duties.

Program Updates in Response to COVID-19:

As of March 2nd, 2020, routine inspections were paused indefinitely. Complaints, plan reviews, and new licensures are being worked as needed. As of June 1st, routine inspections have began again with a focus on education and meeting the state mandate. Inspectors are frequently pulled in to help with COVID-19 response and few inspections are occuring.

As of March 12th, 2020, all food handler classes have been canceled and our pool operator's course has been delayed indefinitely. We are working on a plan to continue food handler classes safely and to offer an on-line version.

Staff have been reassigned to help with various COVID-19 response activities. These include:

- Sending information to facilities and providing consultation on changing emergency rules and guidance on social distancing, cleaning, and employee health
- Working closely with local farmer's markets to ensure they have the information to set up safely
- Preparing for SNS Warehouse activation, which they will help staff if activated
- Supporting nurses and National Guard with contact tracing
- Supporting nurses with case investigation
- Delivering supplies between offices
- Printing and assembling signage, posters, and forms
- Screening those who enter the building
- Staffing swab PODs
- Staffing LTC strike teams
- Staffing test result strike teams
- Staffing vaccination PODs
- OSIIS data entry

Amy Allen is currently the Deputy Logistics Chief with the OSDH District 6 Incident Management Team, providing support to all branches of the local response.

Closures:

Events worked by Cleveland County Staff

Event	Date
Medieval Fair	4/9 to 4/11

Complaints:

Restaurants:

Various complaints were worked. All complaints were addressed with the management of the facility. The inspector assisted in finding a resolution to the complaint (if it was valid) and performed on site education when needed.

Dog Bite Investigations:

Various complaints were worked. In cooperation with the Cleveland County Sheriff's office, Norman Animal Welfare, Moore Animal Welfare, and Noble Police Department all bite incidences were resolved. Most of the bites were resolved by requiring the owner to quarantine the biting animal for a 10 day observation period following the bite incident. All animals were required to update the biting animal's rabies vaccination if necessary.

Truck Wrecks:

No truck wrecks were directly worked.

Enforcement:

No facilities in Cleveland County are currently on enforcement, with the exception of a few facilities for non-payment of license. We are continuing to work with management, corporate offices and owners of all licensed facilities to try to educate, mediate and correct violations so that the inspections do not result in further enforcement procedures.
