Corrective Action Plan (CAP)

This plan must be completed by the erring district in situations where a lapse in the execution of state policy occurred in the (1) student's initial English Learner (EL) identification, (2) required EL parental notification, (3) provision of EL services and supports, (4) administration of the WIDA ACCESS assessment, or (5) correct coding of the student in the local student information system.

School Year _____ County # _____ District # _____ School District Name _____

CAP Implementation Supervisor Name _____ CAP Implementation Supervisor Title _____

Superintendent Signature _____ Superintendent Signature Date _____

Description of the Situation

Briefly describe the situation and identify the area of state policy in which the error occurred (1-5 above).

Corrective Action(s)

Describe the steps taken to address the lapse in execution described above and how those steps ensure a similar situation will not occur in the future.
