

# CERTIFIED HEALTHY SCHOOL

Certified Healthy Oklahoma is a statewide recognition program that offers a free assessment tool allowing businesses, campuses, communities, congregations, early childhood programs, restaurants, and schools to gauge where they stand on supporting health with an annual certification award showcasing their commitment to actively promoting wellness.

**Helping students stay healthy through eating healthy foods and being physically active can help school districts achieve better overall test scores, grades, and attendance rates. (Center for Disease Control and Prevention)**

## Benefits

- ◆ Assessment tool to see where your school stands on supporting health
- ◆ Recognition as a school that goes “above and beyond” to create a healthy, nurturing environment
- ◆ Recipients are invited to a special recognition awards event
