FREQUENTLY ASKED QUESTIONS

What is the Oklahoma State Charitable Campaign?

The Oklahoma State Charitable Campaign (SCC) is an annual unified fundraising effort that provides state employees with the opportunity to make donations to their favorite charitable organizations through the convenience of payroll deduction or one-time gifts. The SCC is governed by the Oversight Committee for State Employee Charitable Contributions (OCSECC), which is comprised of seven state employee appointees.

How do I give?

During the annual campaign, all state employees have the opportunity to make charitable contributions via a provided pledge card. All donations, large or small, are welcome and greatly appreciated. We encourage you to consider the many needs in your community and make the most generous gift possible. Through payroll deductions, employees may divide the annual contribution into smaller, regular amounts which are deducted each pay period during the coming calendar year. One dollar per pay period is the minimum deduction for payroll deductions. While payroll deduction is the preferred method, contributions may also be made by check, cash, credit or debit card.

Who can I give to?

This charity guide lists all the eligible charitable federations and their member charities. Through the SCC you may designate your gift to federations or member charities by indicating choices on the pledge card. Each federation and charity is listed separately, with an assigned four-digit charity code (e.g. 1234) that must be used when making a selection to ensure that your contribution reaches the charity or charities you wish to support.

To support a federation and have your gift shared among all of its charities, choose the federation code as it appears preceding the federation name and description. To support an individual charity within a federation, select that charity's code as it appears preceding the charity name and description. Pledge cards returned with a donation but without charity code numbers will be counted as undesignated donations.

What happens to the undesignated donations?

According to Oklahoma Statutes, undesignated money shall be distributed in the same proportion as designated dollars within the state of Oklahoma.

What is the administrative rate for the SCC?

Administrative costs for the 2020 campaign were 10% of funds received. These funds provide for campaign materials creation and printing, postage and supplies, Loaned Executive support, coordinator training, campaign recognition and professional staff. All federations share in the administrative costs proportionate to their designations in the campaign.

How do I connect with the charities?

Throughout the charity guide, you will find the charities' websites, Facebook and Twitter accounts. Most member charities can be found with a simple Google search.

A LETTER FROM THE GOVERNOR

Dear Friend,

Thank you for your public service to the great State of Oklahoma and for your participation in the annual State Charitable Campaign (SCC). Last year, because of your generous contributions, we were able to raise over $320,000 and help more than 250 organizations strengthen communities across our state.

Participating organizations assist our state by meeting many of the health and human service issues faced by our fellow Oklahomans. The SCC not only helps to improve the quality of life for many Oklahomans but also those assisted by national and international organizations. Some of the great work they do includes providing food to the hungry, educational programs, health assistance to the sick, and disaster aid.

2020 was a year unlike anything we have experienced in our lifetimes. We felt the impact of COVID-19 on our families, our jobs and our day-to-day lives. However, thanks to your generosity last year, many of our neighbors have received critical assistance from the organizations supported by the SCC.

For the 2021 campaign, we have set a goal of $421,000. If you can, I hope you will join me in supporting this worthy effort. Together, I am confident we will have our most successful campaign yet.

Once again, thank you for your generous contributions.

Sincerely,
J. Kevin Stitt
Governor

A LETTER FROM THE SCC CHAIR

Even before COVID turned our world on its head, many of our fellow Oklahomans had their worlds turned upside down by disease, hunger, abuse, poverty and homelessness. A large and growing sector of our population has had much worse to deal with than a global pandemic.

In many ways, we are fortunate to be state employees. We have stable jobs, and we're here because we're passionate about public service. Now more than ever, the public needs us. The State Charitable Campaign makes it extremely easy to help meet those needs by contributing to well-vetted, capable charities that exist to improve lives, both here and abroad.

While 2020 was a tough year to mount an effective campaign, state employees dug deep and still raised more than $320,000. As many of us bounce back from the ugly grip of COVID, we know others who may need our assistance. This is where state employees and the member charities supported by the State Charitable Campaign can help. This year, I'm asking you to lend a hand up to our neighbors in need and help us meet our goal of $421,000.

No matter your salary, you have SOMETHING to give, whether it's your time or your financial gifts. Even a few dollars per month deducted from your paycheck won't be missed as much as it will be a blessing to someone else. Whose life will you bless this year?

J.D. Strong
Director, Oklahoma Department of Wildlife Conservation

When Ryan first began taking art classes with an SCC member charity, he was often seen slouching over and hiding in his jacket. The 5-year-old boy was non-verbal and no one in the program had ever heard him speak.

During one art class, the group was creating a mobile out of CDs and brightly colored yarn. Each student chose the color of yarn they wanted to use. When it was Ryan's turn to select a color, he stood up, pointed and said, "I want blue." His teachers were shocked and amazed to hear his voice for the first time. Ryan took his blue yarn, went back to his seat and started working on his project. He decided it was time for a new color and thought he could just point at the one he wanted. His teacher said, "Ryan, use your words." Ryan responded, "I want red," and gave her a huge hug.

The art class has provided Ryan with a creative outlet that was truly making a difference in his life. For so many kids, art is the catalyst for positive life-changing development. Through the arts, kids learn confidence, creativity, self-expression and self-advocacy. In his art class, Ryan now sits up tall, plays with colors and shares with the other kids. His life will be forever changed because of art.

Ricky had been in the foster care system for two years and had no one in his life except his DHS worker and court personnel. Placed in a juvenile center, Ricky was a year away from turning 18 with a likely future in prison.

Andrew, a volunteer with an SCC member charity, began visiting Ricky to learn more about his case and life story. As Andrew spent time with Ricky, he began to wonder if there wasn't something else going on with his mental capacity that no one else had spoken to Andrew about.

When Andrew heard the plan was for Ricky to be transferred to prison when he turned 18, Andrew knew that the missing evaluation pieces needed to happen. He began to advocate around concerns that Ricky may have developmental delays and desperately needed a psychological assessment. Andrew's persistence led to an official evaluation that confirmed Ricky's severe developmental delays. Andrew advocated that instead of being transferred to a prison, Ricky needed a long-term assisted living situation where he could live a productive life with the help he would require.

Ricky's charges were dropped and a long-term plan was adopted by the court thanks to Andrew's tireless work. If it weren't for Andrew, Ricky would be serving out a prison sentence right now instead of getting the help and services he needed and deserved. His life trajectory was changed thanks to a caring volunteer and support from an SCC member charity.

Christian relief organization led by Franklin Graham providing food, medicine, clothing, shelter and other emergency assistance to victims of war, poverty, disease and natural disasters.
Admin. 13%
www.samaritanspurse.org

Jessica and Jeremy first came to a SCC member charity in October. Both had lost their jobs and were currently living in their vehicle. The SCC member charity staff gave the couple information on several community resources who may be able to assist them beyond food assistance.

The staff followed up with the couple two weeks later and were able to provide them with agencies to call for assistance on utility deposits. In January, the clients returned to the organization for food assistance and thanked the staff for their assistance. The referrals to local agencies led to several resources who helped them eventually get into an apartment.

"You guys helped with the resources," said Jessica. "If it wasn't for the food you gave us, we would have gone hungry; and it helped us save money for our home."

Ady was diagnosed with stage 4 high risk neuroblastoma after a swollen lymph node was found near her groin. After five rounds of harsh chemotherapy, two stem cell transplants, and 12 sessions of radiation spanning a year, Ady finished her fifth and final round of immunotherapy around Thanksgiving of 2020. Even though she has been through so much, Ady never stops smiling and her joy is contagious. She loves playing with her brothers and spending time outside.

Ady was able to receive her life-saving care thanks to an SCC member charity and its work funding research, education and clinical care.
