* On June 6, 2022, the National Vital Statistics System (NVSS) cause of death coding system began a system-wide upgrade, which required a temporary suspension of routine NVSS surveillance reporting. The upgrade required all 2022 death records to be reprocessed into the system. As routine NVSS surveillance reporting resumes, users may temporarily observe lower death counts for prior weeks in 2022 as the backlog is reprocessed and reloaded into the system.
