- First Name and Last Name will be the assigned users' actual first name and last name.
- If a cellular telephone has been identified as a CERT phone, it will be indicated after the "Location" or "User ID." For example, DCCC-CERT.
- If a cellular telephone has been identified as a Duty Phone, Transportation Phone, or Nurse Phone and not assigned to a single user, it will be indicated as the assigned user. For example, first name would be Duty and last name would be Phone.
