Selection of Staff to Attend Professional Conferences

The Oklahoma Department of Corrections (ODOC) encourages staff membership and participation in criminal justice and allied professional associations related to the employee’s specific field of work. ODOC supports staff involvement in activities by those professionally recognized organizations on a local and national level. (2-CO-1D-10, 5-ACI-1D-22, 4-ACRS-7B-19, 4-APPFS-3A-20, 4-APPFS-3A-21)

Professional organizations’ conferences and specialized training activities recognized by ODOC are those that are job specific, enhance professional development specific to professionals within corrections and/or enhance the public’s image of ODOC professionals.
