

Consumer Notice: Over-the-Counter Rabies Vaccine

Any dog, cat, or ferret that bites a person, or is exposed to a confirmed rabid animal, that is not vaccinated against rabies by or under the supervision of a licensed veterinarian, shall be considered unvaccinated and subject to quarantine or euthanasia at the owners expense.

Only the records of a licensed veterinarian will be acceptable documentation of a rabies vaccination in the application of Oklahoma Administrative Code 310: Chapter 599.
