5. Reports/Updates

- A. Dean Henke reported that regulatory inspections continue. EMS agencies, continue to be prepared for an unannounced visit from your regulatory staff. For inspections, if the director is unavailable, there will need to be someone with access to records that would be available. EMS New unit inspections website: [https://www.ok.gov/health/Protective Health/Emergency Systems/EMS Division/Ambulance Services & E MRAs/Inspections/index.html](https://www.ok.gov/health/Protective%20Health/Emergency%20Systems/EMS%20Division/Ambulance%20Services%20&%20EMRAs/Inspections/index.html) Trauma Funds, Mr. Henke reported the application period for April 2023 was December 15, 2022. Staff are reviewing submissions at this time. If you are missing forms or we need information, you will receive an email, with a deadline, to submit your items. If the items are not submitted by the deadline, we will use what was submitted to process your Trauma Fund Application. The next Trauma Fund Application period will open on April 19, 2023. The claim period for this application period is January 1 – June 30, 2022. If your Hospital Registrar has not entered the cases into Trauma Registry, the cases will not be eligible for Trauma Fund Reimbursement. This past Trauma Fund Application period, several hospitals did not make the corrections to their claim forms and the highlights were removed from the claim form. OSDH staff are reviewing the claim forms to verify that the corrections have been made. If they have not been made, those cases were denied for Trauma Fund Reimbursement. Point of Contact is Katrina Warden. Trauma Registry Reminder: Monthly compliance reports are loaded to the Hospital OSDH BOX account. There are 17 Hospitals that have no Trauma Registry cases entered into Trauma Registry and have not contacted OSDH personnel. It is the Hospital's responsibility to enter their cases into Trauma Registry and confirm that the cases have transferred to the state. Monthly compliance reports are uploaded to Box each month, they show the number of cases is in the state Trauma Registry for each facility. All cases through November 2022 should be entered, all 2022 cases should be entered by January 31, 2023. If you are out of compliance, you will need to notify our office to work out a plan on how to get into compliance. If you do not have your cases entered, please make this a priority to stay current with compliance. If you have a discrepancy in the number of trauma cases, please send an email to esystems@health.ok.gov and put "Trauma Registry" in the subject line and the concern for missing cases. A staff member will contact you to troubleshoot the discrepancy. If you have no cases for the month, send an email to esystems@health.ok.gov and put in the subject line "Trauma Registry" and note there are no cases for that month. Reminder: Trauma cases MUST be entered into Trauma Registry in order to be considered for Trauma Fund reimbursement for Hospitals, Physicians and EMS. On or around February 10, 2023, the data error reports will be uploaded into the Hospitals OSDH BOX account. Please make the corrections at this time and submit prior to March 1, 2023. Do not wait until your facility receives the highlighted claim form to make your corrections. The first deadline to submit corrections is March 1, 2023. Hospitals are required to make the corrections in Trauma Registry, even if they do not apply

for Trauma Fund. Point of Contact is Katrina Warden. EMResource - Anya.Grether@health.ok.gov Password reset link expires one hour after request submitted.
