Open positions are an EMS Administrator II, an Epidemiologist II/III, and a Statistician. Initial EMS Ambulance inspections are still being conducted at NE 27th/ Stiles by the State Capital and you can schedule your inspection on our website. Mr. Henke reported the deadlines the Hospital Trauma Fund Application Deadline is November 30, 2022, at 5:00 p.m. and the EMS/Physician Trauma Fund Application Deadline is December 15, 2022, at 5:00 p.m. Trauma Fund Application Training for Physicians is scheduled for November 9, 2022 and for EMS is November 16, 2022. For Trauma Registry the Hospital Standards for licensure, Oklahoma Administrative Code (OAC) 310:667-59-1(b) requires Oklahoma licensed hospitals to submit trauma cases meeting inclusion criteria monthly. These cases must be entered into the Trauma Registry by the last weekday of the month following when care was rendered. For example, April cases are due the last weekday of May. that EMS agencies need to keep their OKEMSIS data up to date. OTERAC last meeting was October 11, 2022 and dates for 2023 were approved. Also the meetings will alternate between OKC and Tulsa.
