

SOCIAL SERVICES DIRECTOR COURSE APPLICATION

General Information

Pursuant to the rules for Nursing and Specialized Facilities, Chapter 675, at 310:675-13-9(b)(2), the Department (Oklahoma State Department of Health) has authority to approve social services director courses. An OSDH application review will determine if state requirements for a director course are met prior to notification of approval or denial. Notice of the Department's decision to approve or deny will be forwarded to the applicant within thirty (30) calendar days from receipt of the application.

If the Department finds the application has not addressed all requirements, a written notice shall be provided detailing the requirements not met and providing opportunity for amendment to the application. After review, the Department will notify the course contact person of approval, disapproval, action, or changes of status regarding the course. [OAC 310:675-13-9(c)(2)]

Training shall be provided through a program sponsored or approved by a nationally affiliated association of providers subject to Oklahoma Nursing and Specialized Facilities Rule, regionally accredited institution of higher learning, Oklahoma career technology center, or nationally recognized professional accrediting body for activity professionals [OAC 310:675-13-9(c)(3)]. Instructors shall have a degree or substantial recent experience in the subject matter being taught, or other educational, teaching, or professional qualifications determined by the course provider. [OAC 310:675-13-9(c)(7)]

Course approval shall be for a period of three (3) years from the date of approval issuance. In the interest of updated curriculum, reflecting the latest best practice, a new application, and curriculum review are required triennially. Currently approved training programs shall apply under this section within twelve (12) months from June 25, 2009, the effective date of this rule. [OAC 310:675-13-9(c)(11)]
