<p>* This document is not a contract, and these guidelines do not reflect or represent every conceived situation. Although all items contained in these guidelines may be met, this does not reflect, or imply, any responsibility of this agency or department to change the plan provision to include the stated service as an eligible benefit.</p>	
<input checked="" type="checkbox"/> New Criteria <span style="margin-left: 200px;"><input type="checkbox"/> Revision of Existing Criteria</span>	
<b>Summary</b>	
<b>Purpose:</b>	To provide guidelines to assure medical necessity and consistency in the prior authorization process.
<b>Definitions</b>	
<p><b>Sleep Positioning Systems:</b> are cushions, foam covered brackets or other forms of contouring which are used with or without a specialized mattress to maintain the body in a constant position during sleep and rest.</p> <p>Sleep positioning systems include, but are not limited to:</p> <ul style="list-style-type: none"> <li>• Jenx Dreama</li> <li>• Leckey Sleepform</li> <li>• Symmetrisleep</li> <li>• Chailey Lying Support</li> <li>• JCM Moonlight</li> <li>• Smirthwaite Snooooooze</li> <li>• Posture Care Ltd Hugga</li> <li>• Medifab</li> <li>• Megalong Positioning Services</li> <li>• Cuneiform Matchett system</li> </ul> <p><b>Durable Medical Equipment (DME):</b> means equipment that can withstand repeated use (e.g. a type of item that could normally be rented), is used to serve a medical purpose, is not useful to a person in the absence of an illness or injury, and is used in the most appropriate setting, including the home or workplace.</p>	
<b>Information</b>	
<p>Sleep positioning systems are not considered primarily medical in nature and are not considered medically necessary.</p> <p>Sleep positioning systems are ineligible for coverage as they do not meet the definition of durable medical equipment as outlined in OHCA policy 317:30-5-211.1.</p>
