

## **Provider Reimbursement Notice** **SHOPP Update**

### **OHCA PRN 2021-03**

February 1, 2021

**Dear Hospital Administrators,**

#### **SHOPP Update**

The potential expansion impact for providers is still being calculated pending CMS approval. Once finalized and approved, an update will be posted with expansion estimates included. The other potential change to the SHOPP calculation is the Managed Care Organization (MCO) piece. OHCA is currently working with CMS on approval of our SHOPP transition plan from FFS to MCO. Once the transition plan is approved, those updates and the remaining quarter payments will be posted as well.

The difference between the actual and adjusted allocations on the 2021 Hospital Access Payments Allocation are due to some changes that occurred after the first quarterly payments were made. If there are any additional changes an update will be posted.

The 1.4% withhold in Q4 has not been calculated yet. Since the 1.4% withhold was done in CY2021 Q1, the payment will be made in the 4<sup>th</sup> quarter using allocations that do not include Medicaid expansion or MCO transition.

If you have any questions or require additional information please contact Provider Reimbursement by email at [ProvReimb@okhca.org](mailto:ProvReimb@okhca.org).

Thank you for your continued service to Oklahoma's SoonerCare members.
