New OHCA Phone System Update

OHCA call centers installed a new phone system on March 24. Since then, providers may have experienced some unusual issues, including difficulty hearing Pharmacy Help Desk representatives. Correcting these problems is a top priority, and we hope to have all issues resolved soon. If you are unable to reach us using the OKC metro phone number (405-522-6205), please use the toll-free number (800-522-0114) instead. We appreciate your patience during this transition.

We appreciate the services you provide to Oklahomans insured by SoonerCare.
