Interested in a Career in Tech?

Oklahoma Department of Veteran Affairs is excited to now offer interested Veterans (and family members) free access to Google Career Certificates through the "Grow with Google" program.

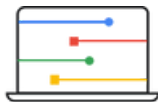

The program provides training, tools and expertise to fast track an individual into certifications in the following fields:

UX Design

Data Analytics

IT Support

Digital Marketing
& E-commerce

Project
Management

In the U.S., there are currently 1.5M job openings in these fields. ODVA strives to equip our Oklahoma Veterans with tools to succeed in today's workforce.
