Oklahoma 9-1-1 Management Authority  
Special Meeting Agenda  
December 4, 2025, at 1:30 PM

---

Oklahoma Capitol Building  
2300 N Lincoln  
Room 4S.9  
Oklahoma City, OK. 73105

1. Call to order, roll call, and determination of a quorum.
2. This special meeting of the Oklahoma 9-1-1 Management Authority ("Authority") has been convened in accordance with the Oklahoma Open Meeting Act.  
  
If an Authority member would like to add an agenda item to the next regularly scheduled meeting, please contact the 9-1-1 Coordinator and the Authority Chair at least one (1) week in advance of the meeting.
3. Welcome to members of the Authority and guests in attendance.
4. Possible discussion, revision, and vote to approve minutes of the October 7, 2025, special meeting.
5. Possible discussion, revision, and vote to approve the financial reports for September and October 2025.
6. Possible discussion, action, revision, and vote to elect the Chair pursuant to OAC 145:15-3-1. From the list of recommended nominees from the Ad Hoc Nominating Committee.
7. Possible discussion, action, revision, and vote to elect Vice Chair pursuant to OAC 145:15-3-1. From the list of recommended nominees from the Ad Hoc Nominating Committee.
8. Possible discussion, revision, and vote to approve Ms. Courtney Book, from Lawton Communications, to the Technical Committee.
9. Possible discussion and presentation of the "Emergency Technologist of the Quarter Award" to the following:
  - a. Josh Hollingsworth, of Payne County
10. Possible discussion and presentation of the "Emergency Telecommunicator of the Quarter Award" to the following:
  - a. Jack Levi Sweeny, of Payne County
  - b. Leshian Lockwood, of the City of Tulsa

11. Possible discussion and vote to approve the current list of approved in-person training programs that include the minimum Telecommunicator training requirements for a 9-1-1 emergency telecommunicator, which have been vetted by the Operations Committee.

1. Association of Central Oklahoma Governments
2. Oklahoma City 9-1-1 Center
3. Lawton 9-1-1 Center
4. City of Tulsa 9-1-1 Center

12. Possible discussion and vote to authorize the Authority staff, in consultation with legal counsel, to take action against PSAPs that are not compliant with the required Geographic Information Systems (GIS) data remediation and upload to the State repository for deployment of NG911, as required by 63 O.S. § 2864(4)(a) and the Oklahoma Administrative Code 145:15-11-2. If authorized, such action may include, among other things, providing written notice to noncompliant PSAPs that the Authority may direct the Oklahoma Tax Commission to escrow funds at the special meeting of the Authority on February 5, 2026. PSAPs will be allowed to present information sufficient to show compliance before the Authority takes any vote concerning the escrowing of funds at said special meeting of the Authority.

- a. Love County, Oklahoma

13. Possible discussion, revision, and vote to support the Technology Committee to create, adopt, and maintain a Technology Strategic plan that will be used to support NG9-1-1 deployment at a Statewide level. This approval does not give the Committee approval to procure or enter into contracts. Items within the plan that require procurement will be presented and approved by the Authority during a public meeting. This Technology Strategic Plan is not mandatory and is not part of the statutory mandated Oklahoma NG9-1-1 Strategic plan (§63-2864.4.a)—attachment in packet.

14. Possible discussion, revision, and vote to approve the following GIS Remediation grant requests:

---

## **COURSE DESCRIPTION:**

**This class is designed to highlight the necessary changes in the State of Oklahoma's Geographic Information NG911 and Address Standard from version 2.2 to version 3.0. The workshop will focus on how these changes impact your data and daily workflow as well as how to successfully implement them into your current operations without breaking existing local requirements of your GIS/NG911 data. It will be an interactive workshop for attendees to apply to their individual PSAP.**

## **ATTENDEE REQUIREMENTS**

**Attendance at this GIS workshop is mandatory. In accordance with GIS rules, each PSAP must have at least one representative attend one of the scheduled workshops.**

**Please note: the PSAP representative should be someone who oversees GIS data or oversees working with the third party vendor responsible for GIS Data.**

**Vendor participation is encouraged, but does not replace the requirement for each PSAP to be represented.**
