

Find and Apply for Open Positions

Use the interactive job map or job list below to explore current openings. You can select a job, review key details, and then apply through the department's official posting.

How to Use This Application

You can browse available jobs in two ways: Map View or List View. Both views provide job details and a link to apply to the PSAP with the application details

Map View

1. Use the interactive map to locate available jobs
2. Select a job using any of the following methods:
 - Click a job icon directly on the map
 - Select a job from the list in the bottom-right corner 
 - Review the featured job already displayed in the top-right panel.
3. When a job is selected, the job details appear in the top right panel, including:
 - Job Title
 - Location
 - Application deadline
 - Department
 - Full-time or part-time status
 - Link for local application details
4. Click the posting link in the details panel to open the full posting in a new tab for local details on how to apply.

Map icon meanings:

- Green icon: Deadline is more than five days away 
- Red icon: Deadline expires in less than five days 
- Alternate icon: Job requires a ride-along before hiring 

Use the legend in the bottom-left corner to view icon definitions.

The total number of available jobs is shown at the bottom center.

You can:

- Sort jobs alphabetically from the list panel
- Refresh the job list using the refresh icon.

List View

1. Review all open jobs in the list on the left side of the screen.
2. Click a job title to view its details on the right.
3. The detail panel includes:
 - Job title
 - Location
 - Application deadline
 - Department
 - Full-time or part-time status
 - Short job description
 - Link for local application details
4. Click the application link at the bottom of the job details to open the full posting in a new tab and apply.

You can refresh the list at any time using the refresh control.
