

Steps to Applying for the Oklahoma 9-1-1 Management Authority Grant

Step 1: Register with SAM

The second step before applying for the Oklahoma 9-1-1 Management Authority Grant, **you must** register with the System for Award Management (SAM). **SAM** is a web-based, government-wide application that collects, validates, stores, and distributes business information regarding the Federal Government contract awards, grants, and electronic payment processes. When you register with SAM you will be assigned a Commercial and Government Entity (CAGE) Code. This Code is a five-character ID number that is required for entities to do business with the government. SAM Registration is **FREE** at <https://www.sam.gov>. Organizations must return yearly to register on www.sam.gov to be eligible to receive grant funding.

Generally, it can **take up to two (2) weeks** for your finalized SAM registration; however, if your organization **DOES NOT** have an Employer Identification Number (EIN), you should allow an **additional five (5) weeks** to request and obtain an EIN from the IRS.
