ABLE Instructions for using the new Online Licensing System

***FYI the Online Licensing System went live March 14, 2022. All applications for a new license and to renew a current license are all done online only. ABLE will no longer mail out renewal notices or licenses. All renewals and new licenses are emailed directly to your email account. *Please be sure to check both your email inbox and your junk email.**

Every Individual and Business must Register an Account online. Please click on the heading at the top of the screen in **BLUE**. Register for an online account, then proceed to complete your registration information. Once registered, you will receive a message saying, "Registration Successfully Completed Login In Now".

If you are an individual and **Do Not** have a current license or your license has already expired, you just need to register an account online. You **Do Not** need to call or email the ABLE office to have a license number linked since you will be applying for a new license online. After registering an online account, click the ABLE tab to begin applying for a license. Complete the disclaimer then click Continue. From the list of headings, select **Individual Licenses**, from the dropdown options select the type of license needed.
