II. MULTIPLE ABSTRACTS – NEW SUBDIVISION/NEW CONSTRUCTION

Conditions/Restrictions

Initial abstract covering entirety of subdivision (through filing of plat) will be charged new build price from Sovereignty or existing abstract covering entirety of subdivision will be charged continuation price.

Individual abstracts made from subdivision base as lots are sold by Developer will be charged at \$150 per abstract.

Once abstract has been built, price is considered a continuation and bill accordingly.

NATURAL DISASTER EXCEPTION

We will charge only \$200.00 for preliminary abstracting and \$100.00 for final abstracting for any homeowner who sustains a material loss or damage to their home by reason of any natural disaster, including, but not limited to tornados, wildfires, or flooding of creeks or rivers that overflow their banks because of rain. This exception will only pertain to owner occupied home at the time of loss or damage.

For each exception, the abstractor shall reasonably determine, by itself or from an independent source, that the home and/or other improvements, located on the real property have been materially or totally damaged, by such natural disaster, to such an extent that it causes the property owner(s) to seek mortgage financing to repair or replace the damage and that the abstracting was ordered by owner's or owner's lender for such purpose or that the owner(s) has elected to sell the real property to a third party pursuant to a signed Real Estate Purchase Agreement. This shall be documented by an affidavit, under oath, by the property owner(s) and supported by either:

- (a) A current dated photo depicting the loss or damage to the property.
- (b) A document from the owner(s) insurance company reflecting the loss.
