### GENERAL INFORMATION AND INSTRUCTIONS

This *Interagency Biographical and Financial Report* (report) is used by **individuals**<sup>1</sup> in conjunction with other corporate filings to the appropriate federal banking agency. This report is not a standalone document.

#### Preparation

Use of this report format is not mandatory. If an alternative format is used, it must provide all requested information, including the certification. All questions must be answered with complete and accurate information that is subject to verification. If the answer is "none," "not applicable," or "unknown," so state. Answers of "unknown" or "yes" should be explained.

The questions are not intended to limit the presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For example, a cross-reference to the information is acceptable. *Any cross-reference must be made to a specific cite or location in the documents, so the information can be located easily.* Use additional sheets as necessary. Each appropriate federal banking agency will provide additional instructions for use and preparation. If the report is not complete, the appropriate federal banking agency may either request additional information or return the filing. If you are a foreign national or a United States citizen who currently resides in a foreign country, additional information may be necessary.

Financial statements from individuals must have "as of" dates of not more than 90 days prior to the date the financial report is submitted. All amounts in this report must be based on current market value in United States dollars<sup>2</sup> and agree with any totals in the supplementary schedules. In addition to the sample financial schedules, you may wish to provide supplementary schedules for other items on the financial statement. If the sample financial statement is used, an answer is required to each item. If you submit an alternative Financial Report format, the information must respond to each request for information contained in the sample Financial Report.

In addition, each appropriate federal banking agency specifically reserves the right to require up to five years of financial data from any individual as well as the filing of additional information and/or statements, such as a federal income tax return or a current appraisal to support an asset's value.

<sup>1</sup>A **company** seeking to acquire direct or indirect control of a bank or savings association should consult with the appropriate federal banking agency for filing instructions.

<sup>2</sup>Provide the foreign currency exchange rate and conversion date, if applicable.

## Preparation (continued)
