

## Commissioner Attends Federal Reserve's 10th District Conference

Banking Commissioner Mick Thompson recently attended the 10th District Commissioners Conference hosted by the

Federal Reserve Bank of Kansas City.

Accompanying the Commissioner from Oklahoma were Deputy Commissioner

Dudley Gilbert and Bob Toler, who is now serving as Review Officer with the

Oklahoma State Banking Department. The

Commissioners Conference provides an opportunity for all states in the Federal

Reserve's 10th District (Colorado, Kansas, Missouri, Nebraska, New

Mexico, Oklahoma, and Wyoming) to share their concerns and strategies directly

with each other and officials from the Federal Reserve. The Commissioners also receive information

from the Reserve Bank regarding the economy in the district as well as

regulatory initiatives that the Reserve Bank may be considering.

At this year's conference, Commissioner Thompson

took the opportunity to sign an updated version of a Cooperative Examination

Agreement between with the Oklahoma State Banking Department and the Federal Reserve

Bank of Kansas City. The new Agreement

provides details regarding how the OSBD and the Fed will coordinate examination

of Fed-member institutions in Oklahoma.
