RULE IMPACT STATEMENT

Pursuant to 75 O.S. §303(D), the Board of Tests for Alcohol and Drug Influence provides the following rule impact statement with regard to proposed rule changes to Chapter 10 of Title 40 of the Oklahoma Administrative Code.

- a. The proposed rule amendments and revocations are required to remove language in conflict with the state statutes. The statutory language, 47 O.S. §759, was amended November 1, 2021, removing the Board's authority to approve and license analysts and authorized blood withdrawal personnel. The proposed rules being revoked are no longer effective.
- b. The classes of persons who will benefit from the proposed rule are the agency, Oklahoma Courts, the users of Oklahoma's roadways, legal community, and law enforcement community.
- c. There is no anticipated economic impact related to the proposed rule.
- d. The proposed rule is revenue neutral. No state agency, entity, or individual is expected to experience any costs related to the implementation of the rule.
- e. The proposed rules will have no economic impact on any political subdivisions.
- f. The proposed rules will not have an adverse economic impact on small businesses.
- g. The proposed rules impose no additional compliance costs on any regulated party.
- h. The proposed rule will establish clarity in the criminal and civil justice system by eliminating ineffective language.
- i. Failure to implement the proposed rules will leave language in the rules that is ineffective.
- j. This Rule Impact Statement was prepared on November 16, 2023.
