Invest a Few Hours, Gain a Future Workforce

Whether you can give 2 hours or 10 hours, your business can make a meaningful impact. The **GIVE ME 2, 4, 6, 8, 10** campaign provides simple, scalable opportunities to connect with businesses, students and educators while building a future talent pipeline.

Give us just **TWO HOURS** a year and help students discover careers they never knew existed. These opportunities can inspire the next generation of skilled workers:

TEN HOURS each year creates life-changing opportunities for students while helping employers build a highly skilled workforce.

Job Shadowing

Make job shadowing meaningful. Give students a true experience of your profession through observation, interaction and learning more than routine tasks. Inspire them to see a future in your industry.
