What We Do

The Mike Monroney Aeronautical Center (MMAC) is a centralized support facility providing services to the U.S. Department of Transportation (and all modal agencies) in general and in particular, Training, Logistics, Human Factors Research, Engineering, Financial, and Information Technology Services for the FAA.

MMAC Customer Organizations:

- **FAA Logistics Center (AJW-L)**
- **FAA Academy (AMA)**
- **Enterprise Services Center (AMK)**
- **Civil Aerospace Medical Institute (AAM)**
- **Office of Facility Management (AMP)**
- **Flight Program Operations (AJF)**
- **National Airway Systems Engineering (AJW-14)**
- **Transportation Safety Institute (TSI)**

FAA Small Business Development Program Responsibilities:

The FAA Small Business Development program Office (AAP-20): Develops and implements programs that assist small disadvantaged businesses (including SBA Certified 8(a)), women-owned small businesses, and service disabled veteran-owned small businesses in obtaining procurement opportunities with the FAA.

Develops FAA Annual Small Business Goals.

Our Responsibilities (Continued):

- **Advocate for Small Business Utilization during the procurement process.**
- **Establishes FAA AMS Small Business Guidance and Policy. Exempt from FAR.**
- **Monitors and Evaluates the effectiveness of the small business program to ensure that objectives and goals are implemented and accomplished.**
- **Hosts and participates in Small Business Outreach events and activities.**
