Sign in using your school email and CTIMS password at https://ctims.okcareertech.org/CTBDSWeb

Or,

Go to http://www.okcareertech.org/ and select CTIMS in the red bar at the top of the page. Do not select the ODCTE Staff Login selection in the red bar. This is not the CTIMS login.

EDI Change Request Process

A change request process is to edit/change a Worksheet or budget within a worksheet before it has been fully approved by the ODCTE staff. The Change Request can be initiated by any of the local roles and will go through the regular approval process.

Logging in and Accessing the Worksheet

After a Worksheet is submitted for approval, you must go through the Change Request Process to make any changes.

- Sign in at https://ctims.okcareertech.org/CTBDSWeb/ using your school email and CTIMS password.

**NOTE:** Please log in using Microsoft Explorer version 11 or higher. CTIMS is currently not compatible with other browsers.

- Verify that you are signed in with the appropriate role in the top right-hand corner. Use the drop-down arrow to select your EDI role.

  - Click the arrow ▶ next to Grants on left navigation.

  - Click the arrow ▶ next to Grant Process on left navigation.
Click the arrow ▶ next to EDI Process on left navigation.

Complete the EDI Manage Grant Worksheets/Agreements/Invoice/Follow-up form. The tagged numbers on the screenshot correspond to the instruction steps below. Many of these fields will automatically display based on your organization login credentials.

1. Verify Fiscal Calendar Year* to make sure correct year is showing.
2. Verify Grant Fund Type* is set to EDI.
3. Select your correct Organization Type from the drop-down menu.
4. Select your Organization* by typing in the first three characters of the name.
5. Verify the Organization District* if it does not automatically appear after typing the first three letters of your Organization name or if you need to select a different Organization District.
6. Select a Program Initiative*.
7. Approval Function Type will remain as All.
8. Filter on Status will remain as All.
9. Select the Search button to search for any outstanding worksheets/applications that need your approval.

NOTE: A red asterisk (*) indicates a required field.
Initiating and Completing the Change Request

1.1 - After clicking the **Search** button, the worksheet/applications that are in the approval process will be listed. Select the worksheet number to open it.

1.2 - To make changes to your Worksheet/Application or Budget, select **Change Request**.

1.3 - The Change Request process cancels the worksheet/application approval process. Click **OK** to continue.
1.4 - You can now make changes to the **Project Details** section or **Budget Line Items** section. After making the changes, go to the **Acknowledgement** section and check the certification box and add an acknowledgment note.

**NOTE:** Once the changes, or partial changes have been made, you can Save as Draft by clicking **Save as Draft**. This will save the changes to the worksheet without summiting to the next approval stage, so you can return and finish at a later time.

1.5 - Select **Submit for Approval**.
1.6 - Click OK.

1.7 - Select **Approve** to send changes to next approval stage.

1.8 - Click **OK** at the “Are you sure?” message.

The worksheet will go back through the regular approval process.
TIPS and Tricks

CTIMS Helpful Hints

- There are scroll bars located at the bottom and right of some of the screens in CTIMS. If you cannot see all of the information on a screen, go to the right or bottom of the screen and use the scroll bar to see navigate over to view additional columns and rows.

- You can flip between screens or tabs in CTIMS. Click on any open tab at the top of your screen to toggle between them.

- There are tabs within screens in CTIMS. Look for these tabs to view a different screen or more information. For example, within the Invoice Process, on the EDI Grand Fund Invoices List screen, there are two tabs: Grant Worksheet/Agreement/Invoice List and Manage Grant Invoices. You can flip between the two tabs within this screen.

- Many sections in CTIMS can be expanded in order to view more detailed information by clicking on the +(plus) sign or an arrow next to the section header or line (row).

- Hold down the Ctrl key and click on the + or – keys to zoom in or out.

- Do not use the Print icon to print documentation. Use the save icon to download a pdf, then you can save it to your computer or print the pdf.

- You can only have 10 tabs open at one time. To close tabs, click on the X on the right side of the tab you wish to close, then confirm that you would like to close by clicking OK on the confirmation screen.
