Job Details: Instructor/Assistant Professor of Meat Science

Job Title:

Instructor/Assistant Professor of Meat Science

Submitted on:

September 6, 2022

Salary:

Commensurate with experience

Hours:

varied hours

Application Deadline:

Until Filled

Start Date:

September 22, 2022

Contract:

11 month 9-, 11-, or 12- month position (negotiable, depending on duties added)

Job Summary:

Teaching Meat Science classes and coaching Meat events.

Responsibilities:

- Teach 27-30 credit hours (Fall and Spring) for the Meat Science program.
- Establish and manage a high-impact meats program that is focused on value-added muscle food innovation and value added product development.
- Coordinate a combination of teaching and workforce training that may include courses in live animal and meat evaluation and muscle-food product development as well as develop outreach activities in consumer/community education
- Advise students in the major.
- Serve on university and other committees as assigned.
- Supervise academic progress of all Meats Judging members.
- Recruit students to the College of Agriculture, Science, and Nursing programs and Meat Judging Team by visiting schools/campuses, attending camps and national livestock shows, and utilizing internet-recruiting initiatives.
- Must have a strong work ethic and lead by example.
- Must be a professional, credible and respected representative of the institution internally and in the community
- Demonstrated willingness and ability to act ethically and socially responsible
- Must be able to lift more than 20-lb. objects; frequent bending, stooping, and walking
- Can be exposed to a variety of weather conditions for periods of time.
- Ability to communicate in a courteous manner
- Other duties as assigned by Dean of the College of Agriculture, Science, and Nursing or designee.

ADDITIONAL DUTIES, DEPENDING ON QUALIFICATIONS AND EXPERIENCE:

Serve as the Meats Judging Coach

Qualifications for the Meats Judging Coach in addition to those above:

- Experience in competitive Meats Judging on the collegiate level (required).
- Knowledge of collegiate Meats Judging rules and other events.
- Experience in Meats competitions and protocols.
- Valid driver's license.

Responsibilities for Meats Judging Coach:

- Coach collegiate meats judging team(s).
- Coordinate meats judging workouts and practices.
- Prepare entry forms and travel requests for contests.
- Supervise academic progress of all Meats Judging Team members.
- Officiate Meats judging contests, judging fairs, and livestock shows.
- Recruit students to the College Agriculture, Science and Nursing programs and Livestock Judging Team by visiting schools/campuses, attending camps and national livestock shows, and utilizing internet recruiting initiatives.
- Must be a professional, credible, and respected representative of the institution internally and in the community.

The omission of specific statement of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

Qualifications:

- Experience in competitive Meats Judging at the collegiate level.
- The ability to relate with students personally yet maintain professional relationships.
- Valid driver's license.

EDUCATION, TRAINING AND EXPERIENCE:

- Required: Master's degree required in Meat Science or related field.
- Must have 18 graduate hours in Meat Science or closely related field.
- Preferred: PH.D preferred

Applicant Must Submit:

- Letter of Application

- Resume
- Three Reference, current addresses and phone numbers
- All Unofficial Transcripts
- Self-Identification of Disability Form
- Self-Identification of Veterans Form
