## Badge Details

<b>Name</b>	1457 - Multimeter 504 Certification
<b>Description</b>	<p>The <b>Snap-on Multimeter Certification</b> is awarded to students who have been trained in the use of Snap-on advanced electrical monitoring equipment. The knowledge and experience gained in this critical discipline are <b>TOOLS FOR LIFE</b> essential to a successful career in critical industries such as automotive repair, transportation, wind power, manufacturing, HVAC, and robotics.</p> <p>This certification includes training on the problem-solving capabilities of Snap-on digital multimeters — the same technology used by professionals in the workplace. Training is focused on subjects from basic applications to advanced troubleshooting.</p> <p>This certification provides a widely recognized endorsement of technical expertise and demonstrated achievement. When students successfully complete this Snap-on certification, they obtain one of the most requested skills in the industry today.</p>
