## Badge Details

<b>Name</b>	Canine & Feline CPR – First Aid - 5314
<b>Description</b>	<p>The PetCPR+ Certification program is our flagship program designed to teach the participant the fundamentals of canine and feline CPR and First Aid. It is ideal for anyone who loves animals including animal professionals, obedience trainers, kennel staff, pet retailers, pet sitters, animal shelter staff/volunteers, rescue personnel, groomers, First Responders, Fire/EMT and pet owners. This course will provide an overview of what to do for a pet in an emergency situation prior to getting veterinary care. Curriculum for all classes is developed by licensed veterinary professionals using veterinary industry standard methods of emergency medical care.</p>
<b>Criteria</b>	<p><i>Learning Objectives:</i></p> <ul style="list-style-type: none"><li>• Safety techniques when working with sick and/or injured animals</li><li>• How to perform emergency triage and assess if an animal is experiencing a life threatening medical emergency</li><li>• How to restrain and properly transport sick and/or injured animals</li><li>• How to provide emergency first aid to dogs and cats en-route to veterinary care</li><li>• How to take vital signs (temperature, pulse, respiration, CRT) and determine normal vs abnormal readings</li></ul>
