Name	8537 - Patient Care Technician (CPCT)
Description	<p>A patient care technician works closely with nurses and other medical staff. He or she provides care for patients by helping to carry out daily living activities such as bathing, eating, dressing, and walking. Patient care technicians are often the ones to have the most direct contact with patients, and therefore play an important role as a member of the health care team.</p>
Criteria	<p><i>Candidates receiving this certification will take an exam with the following criteria:</i></p> <ol style="list-style-type: none">1. Role of a PCT 1%2. Charting 2%3. Law and Ethics 7%4.
