Name	8766 – Medical Terminology
Description	<p>Medical Terminology is a one-semester course that helps students understand the Greek- and Latin-based language of medicine and healthcare. Emphasis is placed upon word roots, suffixes, prefixes, abbreviations, symbols, anatomical terms, and terms associated with movements of the human body. This course also stresses the proper pronunciation, spelling, and usage of medical terminology. This class is helpful to anyone considering going into the healthcare field.</p>

<p>Criteria</p>	<p><i>Candidates receiving this certification will take an exam with the following criteria:</i></p> <p>This exam is composed of 60 questions</p> <ol style="list-style-type: none">1.
