FCS Workshop Descriptions

Time	Location	Workshop & Presenter	Description
8:00	Ballroom A	Holly's Highlights	Join us for essential FCS updates, a deep dive into new career clusters, and strategies for powerful FCS branding. Discover recommendations for traveling with students, vital insights into program numbers, and critical information on funding and graduation requirements. Plus, hear inspiring wisdom directly from the Oklahoma Teacher of the Year, Melissa Evon! Don't miss this must-attend session to empower your program and your students!
9:30	Ballroom A	Round table session	Participants will have the opportunity to rotate through 4 tables during this session. Presentations will be 12 minutes with a 2-minute passing time in between. See descriptions of each table below.
	Take 2 Café	Purpose in the Kitchen: Take 2 Culinary Tour <i>-Occupational Culinary Instructors</i>	Occupational Culinary teachers will visit Take 2: A Resonance Café to explore how culinary education can build not only technical skills, but also confidence, professionalism, teamwork, and career readiness through a mission-driven approach. This experience will inspire teachers to see how their own classrooms can help students develop employability skills and view culinary careers as a meaningful pathway to future success. Please see Jessica Maker's email for additional instructions.
	B East	Program Evaluations Northeast & Southeast regions (required for 26-27 evaluations) <i>Program Specialists</i>	Your evaluation starts long before the evaluators arrive! If your program is scheduled for evaluation this year, this workshop is designed for you! Learn what to expect, how to prepare, and the steps you can take now to ensure a smooth and successful evaluation process.
	B Central	<i>Plot Twist... You're the Member!</i> <i>-State Executive Council</i>	Forget the PowerPoint. --In this hands-on workshop, you'll become an FCCLA member and experience a chapter meeting from start to finish. Then comes the plot twist—we'll rewind the meeting and show you exactly how to recreate the magic in your own classroom. You'll leave with a ready-to-use meeting formula, engagement ideas, and plenty of "Why didn't I think of that?" moments.
	B West	<i>Visuals for Learning thru Graphic Facilitation</i> <i>-Nancy Rodriguez, ODCTE</i>	Research confirms that visuals support student learning. Join us as we learn and apply a few elements of graphic facilitation that can enhance instruction.

	Riverside-Utica	Getting Organized with Technology <i>-Melissa Ritchie, Del City HS</i>	Create an online dashboard where your most used items can be found in just one click! We will also work through Google Calendar features to help you remind you of upcoming events and all the paperwork that comes along with them!"
	Boston- Blue Dome-Brookside	Early Care and Education	TBA
	Cherry Str.- Greenwood	Curriculum Showcase <i>-OATFCS officers</i>	See creativity in action during this curriculum showcase! Four presenters will share the curriculum projects they've developed, offering insights into their design, implementation, and classroom impact. Discover new approaches and gather ideas to strengthen teaching and learning in your own classroom.
10:30	B East	Middle School... Cracking the Middle School Code: Connection, Consistency, and Control <i>-Julie Hanneman</i>	Learn how to keep expectations simple and clear while building in autonomy and ownership for Middle School learners. Your classroom will become a safe space with consistent expectations that let creativity thrive.
	B Central	<i>Plot Twist... You're the Member!</i> <i>-State Executive Council</i>	Forget the PowerPoint.-- In this hands-on workshop, you'll become an FCCLA member and experience a chapter meeting from start to finish. Then comes the plot twist—we'll rewind the meeting and show you exactly how to recreate the magic in your own classroom. You'll leave with a ready-to-use meeting formula, engagement ideas, and plenty of "Why didn't I think of that?" moments.
	B West	Activating the Textbook: Making the Textbook Come Alive Through Engagement and Evidence-Based Practice <i>- Laura Adamson</i>	Transform your textbook from a static content delivery tool into a dynamic catalyst for student curiosity and ownership. Grounded in Visible Learning research and the five dimensions of student engagement, this interactive, subject-agnostic workshop offers practical, cognitive-science-backed strategies to activate learning in any classroom. Educators will leave with a concrete toolkit of techniques to make daily instruction more visible, meaningful, and memorable.
	Riverside-Utica	Spreading Sunshine Without Burnout <i>-Kaitlind Anderson</i> <i>-Rusty Stafford</i> <i>Broken Bow HS</i>	A workshop designed to help FCS teachers create meaningful, morale-boosting experiences for staff while avoiding the pressure of doing it all. Participants will leave with practical, low-stress ideas for building positive school culture while naturally increasing visibility and appreciation for their FCS programs.
	Boston- Blue Dome-Brookside	Teacher Prep	TBA

	Cherry Str- Greenwood	Program Evaluations North region (required for 26-27 evaluations) <i>Program Specialists</i>	Your evaluation starts long before the evaluators arrive! If your program is scheduled for evaluation this year, this workshop is designed for you! Learn what to expect, how to prepare, and the steps you can take now to ensure a smooth and successful evaluation process.
11:30	Lunch- with FCCLA Updates Ballroom A		
1:00	Ballroom A Move to front of the room	Lottery Grants	Take the stress out of Lottery Grant season! Learn what to expect, how to navigate the application process, and how to build a well-prepared grant request that supports your program's goals.
	B East	From Kitchen to Classroom, Bringing Industry Standards into Culinary Education <i>-Bill Leib, Francis Tuttle Culinary</i>	Learn how to bring professional kitchen concepts and industry standards into the FCS classroom, even without access to a fully equipped professional kitchen. This session provides practical strategies, adaptable lessons, and ready-to-use resources to help students build real-world culinary skills and prepare for success in the food industry.
	B Central	Beyond the Bell: Professionalism that makes an Impact! <i>-Mary Dushane, Commerce HS</i> <i>-Amanda Faulkenberry, Marietta HS</i>	Discover how appearance, attitude, communication and conduct shape perceptions in the educational environment. Participants will gain practical strategies for demonstrating professionalism in every interaction.
	B West	Leading Through Literacy: Building Strong Families, Strong Communities, and Bright Futures with Dolly Parton's Imagination Library <i>-Erin Bell, OPSR</i>	Learn how Oklahoma FCCLA chapters can partner with Dolly Parton's Imagination Library to strengthen early literacy, serve families in their communities, and develop meaningful student leadership opportunities. Participants will leave with practical ideas for fundraising, service projects, advocacy, and community partnerships that support early literacy in Oklahoma. Help us write Oklahoma's next chapter!

	Riverside-Utica	Beyond the Project: Public Speaking Tips That Help Students Shine in Competition <i>-Kristen Ellis</i>	Students spend so much time preparing their competition projects—and the presentation of the project deserves just as much attention. This fast-paced, practical session will equip you with easy-to-teach strategies to help your students exude confidence, make eye contact, communicate effectively, and improve their overall impact. The ability to communicate with others is so much more than the competition—it's a necessary life skill!
	Boston- Blue Dome-Brookside	Teacher Prep/ECE	TBD
	Cherry Str-Greenwood	Program Evaluations South region (required for 26-27 evaluations) --- <i>Program Specialists</i>	Your evaluation starts long before the evaluators arrive! If your program is scheduled for evaluation this year, this workshop is designed for you! Learn what to expect, how to prepare, and the steps you can take now to ensure a smooth and successful evaluation process.

FCS Roundtables

Table #	Topic and Description	Presenter
1	FCCLA in Action: Caring for Our Community The FCCLA Community Service Roundtable is a collaborative discussion where advisers share ideas, projects, and successes focused on making a positive impact in their local communities. We will explore meaningful service opportunities, leadership development, and ways FCCLA members can meet community needs through action and teamwork.	<i>Mickenzi Anderson, Seminole HS</i>
2	From Canva to Couture: Custom Fabric Design with Sublimation Discover how students designed custom fabric prints in Canva and brought them to life for their mini mannequin projects using sublimation printing. This session will highlight the design process, printing techniques, and student outcomes.	<i>Sara Johnson, Southmoore HS</i>
3	Western Remix: Paper Couture In this project, students became fashion designers, creating Western-inspired dress concepts using only brown craft paper, bandanas, pins, and one additional material. By working within limited materials, students explored creativity, collaboration, and innovative design techniques to reimagine Western fashion.	<i>Christy Brown, Ada HS</i>
4	Button Sewing Hack: A Simple Trick That Saves Time Discover a simple button sewing trick that saves time and improves efficiency. Participants will learn the long-thread method and leave with a practical technique they can use in the classroom right away.	<i>Karin Davis, Tulsa Tech Fashion Design</i>
5	WHAT'S THE FCS? Engaging teaching strategies for Family & Consumer Sciences Explore strategies to boost student engagement, assess student performance, and address current trends in Family and Consumer Sciences education. This collaborative discussion will focus on promoting critical thinking, real-world learning, communication, collaboration, and team-building skills that support student success.	<i>Tina Clawson, Amber-Pocasset HS</i>
6	Which of Your Students Will Choose to Become a Family and Consumer Sciences Teacher? This session explores a variety of strategies for inspiring students to discover	<i>Paula Tripp, OSU FCSEd</i>

	their career potential as a Family and Consumer Sciences teacher! Through interactive discussion, success stories, and recruitment ideas, you will gain practical approaches to guide students from curiosity to FCS teacher.	
7	Bingo your way to your chapters success!! Use a bingo card to set your chapter goals and work towards your success. A great way to work toward achieving chapter of excellence and the National ultimate chapter award.	<i>Amanda Faulkenberry, Marietta HS</i>
8	WindowsWear: From Industry to Classroom: Focusing on Trends & Career Pathways This presentation highlights key learning experiences from WindowsWear professional development in New York City. This session will share practical classroom application, FCS career pathways, and strategies to engage students through real-world industry experiences.	<i>Hannah Spencer, Midwest City HS</i>
9	FCS Social Media Accounts This interactive roundtable will provide an opportunity to share your favorite FCS social media accounts and allow you to follow new ones recommended by your peers.	<i>Kelly Brock, Great Plains Tech Ctr. Lisa Favalora, Cushing HS</i>
10	TBD	<i>Richard Boone, Choctaw MS</i>
