After you are finished editing the amount of the budget line to match what you are invoicing, select the **Update** button on the left.
Step 12: If you start to edit a line and discover you don’t want to save your changes you can select the Cancel button on the right.

If you discover that you have made a mistake after you have selected the Update button, you must use the Edit button, correct your errors then select the Update button again.

If you have already Saved/Updated a line item and you then want to totally remove it from your invoice, you will have to Inactivate the line item. To do this, select Edit, then uncheck the box under the column Is Active, and finally select Update. That line becomes inactive and will not show up in your invoice. Another way to inactivate a line is to put zeroes in the Units and Unit Cost boxes and select Update.
**Step 13:** Verify that the **Total Invoiced** column is correct for the amount of reimbursement you are requesting. Verify that the Invoice **OCAS codes** and the line item amounts match the OCAS report you will attach in **Step 14**.

Select the **Save As Draft** button from either the top or the bottom of the screen.

Select the **Invoice Summary** button (on either the top or the bottom of the page) to pull up a copy of your invoice that is easier to read and verify that all your items are listed and the amounts and OCAS Codes are correct.
**Step 14:** Scroll down and select the **Attachments** heading. Use the **Browse** then the **Upload and Save** buttons to attach the OCAS **Summary Expenditure Report and Detail Expenditure Reports** that you have saved on your computer, along with any required receipts and vendor invoices. The Expenditure report amounts should match the amount of reimbursement you are requesting on your invoice. You may upload multiple attachments, but they must be uploaded individually. *Additional instruction on adding Attachments is available in Step 12 of Starting a new Worksheet Application in this Guidebook.*

![Attachments](image1)

**Step 15:** Scroll down and select the **Acknowledgements** heading. Check the **three required Acknowledgement boxes.** Input the required **Reporting Period (Claim) Date Range.**  **NOTE:** The Reporting Period date range must match exactly the date ranges in your Detail and Summary Expenditure Reports.

If this is the final payment request you will submit for this fiscal year, check the “Is final payment?” box. Type a required **Acknowledgement Note** in the box. Select the **Submit for Approval** button.

![Acknowledgements](image2)
Step 16: Click on the Invoice Summary button, at either the top or the bottom of the screen, to create and print a PDF report of the Invoice you submitted.

Select the pdf button from the top toolbar to open a PDF copy of your invoice. You may also need to select the Open button on the bottom of the screen. You should now be able to Save or Print the PDF Invoice document as usual.

The Invoice is now successfully submitted and will go to ODCTE for review and processing.
Accessing a Draft Invoice or View Invoice Status

To open an invoice that you have started but not submitted, or to view the current status of an invoice, open the Invoice Process as normal by selecting:

- **Grants**
  - Grants Process,
    - FLA Process and then
      - FLA Invoice Process

Complete the required sections of the FLA Grant Fund Invoices List:

- **Organization Type**
- **Organization**
  - **Program Initiative** then select
    - **Search**

To see the status of a Draft Invoice (in process) or one already submitted or paid, click the (small dark triangle) sign to the left of the blue words **New Invoice**.
Scroll to the right to view the **Current Approval Stage** column or click on the Invoice number under the Invoice column to open the selected invoice.

For additional information on the status of an invoice, select the **(small dark triangle)** to the left of the invoice you are inquiring about. This will access a drop down menu indicating what approval level this invoice is at. In the example below, the invoice has been approved and submitted by the **FLA Local Finance Coordinator** and is awaiting review/approval by the **FLA State Initiative Coordinator**.
If you click on the invoice number to open a Draft invoice, you must select the Next Step option on the following page. You can then continue to make changes to your Invoice Line Items, add attachments or complete your Acknowledgement section before selecting “Submit for Approval” to send the invoice to Carl Perkins staff for review.
Change Request vs Budget Adjustment

Difference Between a Change Request and a Budget Adjustment

**Worksheet Change Request** – to edit/change a Worksheet before it has been fully approved by the ODCTE staff, use the Change Request Process. This can only be started by the FLA Local Initiative Coordinator, followed by approval from the FLA Local Finance Coordinator and the FLA Local Superintendent/CEO/President. Once the Worksheet Contract/Subaward Funding Agreement has been approved by the ODCTE Contract Reviewer, the Worksheet is locked and no further changes may be made.

**Invoice Change Request** – to edit/change an Invoice once it has been rejected back to the grant recipient, they must initiate a Change Request. This can only be started by the FLA Local Finance Coordinator.

**Budget Adjustment** – to make budget changes on an Agreement after it has been approved by the ODCTE staff, use the Budget Adjustment Process. This includes adjusting budget amounts, adding new items to the budget or inactivating previously approved budget items. Attachments can also be added during a budget adjustment. Budget Adjustments can only be performed by the FLA Local Finance Coordinator.
Worksheet Change Request Process

Worksheet Change Request Roles:

Stage 1 - FLA Local Initiative Coordinator

Stage 2 - FLA Local Finance Coordinator

Stage 3 – FLA Local Superintendent/CEO/President

Stage 4 – FLA State Initiative Coordinator – 3rd Approval. ODCTE state staff reviews and approves or rejects the Change Request. If approved, the Worksheet goes to final approval stage. If rejected, goes back to stage 1.

Stage 5 – FLA State Initiative Supervisor – Final Review and approval of Change Request. If approved, the Worksheet goes to final approval stage. If rejected, goes back to stage 1.

Stage 6 – ODCTE Contract Reviewer – Fully Approved Stage. This stage is only for approving the Subaward Funding Agreement (Contract) by the ODCTE.

Making a Worksheet Change Request:

If you need to make a change to your Worksheet after you have submitted it but before it is approved by the ODCTE Contract Reviewer you must go through the Change Request Process.

Step 1: Using Internet Explorer version 11 or higher, sign in using your school email and CTIMS password at https://ctims.okcareertech.org/CTBDSWeb/

Note: CTIMS is currently not compatible with other browsers.
**Step 2:** Verify that you are signed on with the role of a **FLA-Local Initiative Coordinator** in the top right corner. If not, use the dropdown arrow to select the correct role.

**Step 3:** To re-open your submitted **Worksheet**, select the following options from the menu on the left of your screen:

- Grants –
  - Grant Process –
    - FLA Process –
      - FLA Manage Grant Worksheet

*Do not select FLA New Worksheet again.*
**Step 4:** Complete the following fields in the FLA Grant Funds Worksheet List:

- Fiscal Calendar Year
- Organization Type
- Organization
- Program Initiative
- Search

**Step 5:** After clicking the **Search** button, the Worksheets that are in the approval process will be listed. Select the **Worksheet Number** to open it.
**Step 6a:** On the FLA Grant Submit Worksheet Step 2 page, select the **Next Step** button from either the top or bottom of the page.

**Step 6b:** To make changes to your Worksheet Narratives, Attachments, or Budget, select the **Change Request** button from either the top or the bottom of the page.

**Step 7:** The **Change Request Process** cancels the Worksheet approval process so that changes can be applied. Click **OK** on the pop-up Change Request screen to continue.
**Step 8:** In FLA Grant Submit Worksheet – Step 4 you may make changes to the Worksheet Narrative, Budget Line Items or add Attachments. After making the changes, you must re-verify the Acknowledgements, and then click **Save As Draft**. Only after selecting Save As Draft should you select **Submit for Approval**.

**Step 9:** Select **Approval Process**.
Step 10: Select Approve to send changes to next approval level.

Both the FLA Local Finance Coordinator and the FLA Local Superintendent/President must fully approve the Change Request by following Steps 1 – 9 above before the Worksheet is fully resubmitted to the Carl Perkins staff for review. If the Worksheet is rejected at any approval level, it will go back to the FLA Local Initiative Coordinator (First Stage) for changes and then be resubmitted to the FLA Local Finance Coordinator then the FLA Local Superintendent/President until both approve the changes.

Step 11: After the FLA Local Superintendent/President has approved the Change Request, the Worksheet will then be reviewed and either approved or rejected by the FLA State Initiative Coordinator, the FLA State Initiative Supervisor, and the ODCTE Contract Reviewer. Once the ODCTE Contract Reviewer has approved the Subaward Funding Agreement (Contract), the Worksheet is considered fully executed and no further changes may be made.
Invoice Change Request Process

If an Invoice is rejected back to the school for any reason, the school must initiate a Change Request before any corrections or additions can be made to the invoice. Once the change request has been approved by the FLA State Initiative Supervisor it will be sent to the ODCTE Finance Document Reviewer and ODCTE Finance Reviewer for processing.

Invoice Change Request Roles:

- FLA Local Finance Coordinator
- FLA State Initiative Coordinator
- FLA State Initiative Supervisor
- ODCTE Finance Document Reviewer
- ODCTE Finance Reviewer

Making an Invoice Change Request:

When the school receives a CTIMS notification that their invoice has been rejected they need to open that invoice and initiate a Change Request before any corrections or additions can be made. **Failure to initiate the Change Request will result in an inability to save any changes made to the invoice.**

**Step 1:** Using Internet Explorer Version 11 or higher, sign in using your school email and CTIMS password at https://ctims.okcareertech.org/CTBDSWeb/

**Note:** CTIMS is currently not compatible with other browsers.
**Step 2:** Verify that you are signed in with the role of a **FLA-Local Finance Coordinator** in the top right corner. If not, use the dropdown arrow to select the correct role.

**Step 3:** Click the **(small blue triangle)** sign next to **Grants** on the left side navigation panel.
Step 4: Click the (small blue triangle) sign next to Grant Process.

Step 5: Click the (small blue triangle) sign next to FLA Process.

Step 6: Select FLA Invoice Process.

2. Verify **Grant Fund Type** is set to FLA*.

Step 9: In the dropdown section, scroll right until you see Reject in the Approval Status column then click on the Invoice Number link to the right. (The invoice number begins with INV-).
**Step 10:** Verify that the information is correct, then select **Next Step.**

**Step 11:** On the FLA Submit Grant Invoice – Step 2 page, select the **Change Request** button in the **lower right-hand side of the screen**. This is below the **Acknowledgement** section. You may have to use the scroll bar to move far enough to the right to find the Change Request button. **You must select the Change Request button before any changes you make to the invoice can be saved.**
Step 12: Corrections or additions can now be made to the invoice following the same procedures as outlined in Steps 10-16 in the “Invoicing for Reimbursement Process” section of this Guidebook.

   Editing Invoice Line Item Amounts – Steps 10 to 13

   Adding Attachments – Step 14

   Acknowledgement Section and Submitting for Approval – Step 15

Step 13: After the Submit for Approval button has been selected, you may have a verification approval button at the top of your screen. If so, select the Approve button to fully submit your invoice back to ODCTE for review.
Agreement Budget Adjustment Process

The Agreement is a working copy of the finalized Worksheet. The initial Agreement, where the OCAS codes are added, must match your Worksheet and be approved by Carl Perkins Administrators before any changes can be made.

To make budget changes on an Agreement after it has been approved by the ODCTE staff, use the Budget Adjustment Process. A Budget Adjustment may include such things as adjusting budget amounts, adding new items to the budget, increasing/decreasing the number of items to be purchased, changing OCAS codes or inactivating previously approved budget items. Attachments can also be added during a Budget Adjustment. This process can only be performed by the FLA Local Finance Coordinator.

Requesting a Budget Adjustment:

Budget Adjustment approval is at the discretion of the Carl Perkins Administration and is not guaranteed. Prior authorization should be obtained before initiating any Budget Adjustment.

Budget Adjustments must be in alignment with your submitted application. In order to meet audit requirements when adding, removing or substituting budget line items, supporting budget narrative must be submitted. This narrative/documentation must be provided following the same format as in the local application.

Acceptable reasons to do a Budget Adjustment include:

- Approved item is no longer available
- Actual cost of an item was above/below budgeted amount
- Approved position was not filled or was vacated
- Correction to OCAS Coding is required

Unacceptable reasons to do a Budget Adjustment:

- To add unapproved items to your budget
- Deciding you want something different without adequate supporting documentation
- Adjusting the number of budgeted items without approval
Budget Adjustment Process Roles:

- FLA Local Finance Coordinator
- FLA State Initiative Coordinator
- FLA State Initiative Supervisor

Making a Budget Adjustment:

Once the Worksheet and the Agreement have been fully approved, you must go through the Budget Adjustment Process in order to make any changes to the Agreement.

Step 1: Using Internet Explorer Version 11 or higher, sign in using your school email and CTIMS password at [https://ctims.okcareertech.org/CTBDSWeb/](https://ctims.okcareertech.org/CTBDSWeb/)

Note: CTIMS is currently not compatible with other browsers.

Step 2: Verify that you are logged in with the role of a FLA-Local Finance Coordinator in the top right corner. From the menu on the left side of the screen make the following selections:

- Grants
- Grants Process
- FLA Process
- FLA Manage Grant Worksheets / Agreements / Invoice
Step 3: Complete these sections of the FLA Grant Fund Worksheets List. The tagged numbers on the screen shot correspond to the instruction steps below.

Note: The red asterisks* represents a required field.

1. Select your correct Organization Type* from the dropdown menu.
2. Select your Organization* by typing in the first three characters of the name.
3. Select a Program Initiative*.
4. Select the Search button.
5. Use the scroll bar to scroll to the Agreement column on the right.

Step 4: In the Budget Adjustment Process, you will change the Agreement, not the Worksheet. Select the Agreement Number under the Agreement column. Agreement numbers always begin with WSAG-. 
**Step 5:** On the FLA Grant Agreement page, the following message is displayed in red “This record is fully approved, you are not authorized to change data within this record.” This indicates you cannot change the Agreement without going through the Budget Adjustment Process. Select **Budget Adjustment Process** button to continue.

**Step 6:** If you want to make a Budget Adjustment, select **Yes** in the pop-up window. This will pull the Agreement out of approved status. You can then adjust the budget and go through the Agreement approval process again.
**Step 7a:** The Budget Adjustment Process can be used to make several different types of changes to your budget. If you need to **Add New Items to Your Budget**, click on **Budget Line Items**. Next, click on **Add Budget Line** to add additional lines to your budget. Complete all the required fields for the new budget line, including the OCAS code, Agreement Line Description, Units, Unit Cost and Req. Unit Type.
Step 7b: Changes to an existing budget line item. After the Budget Adjustment Process button has been selected, changes can now be made directly to an existing budget line item. Select the cell that you wish to change by clicking on it and then enter the new information. You may make changes to the following cells:

- OCAS Codes
- Units (Number of items being purchased)
- Unit Cost (Cost of item has changed)
- Req. Unit Type (Unit types are each, class, unit or student)

The Approved Total field will automatically update based on your choices.
**Step 7c: Changing Agreement Line Descriptions.** You should not change the Agreement Line Description to create a new item. Always use the Add Budget Line feature to do that. The only permissible changes to an existing line description are to add **additional descriptors**, such as shipping and handling, or to **clarify the description**, such as listing specific accessories that are included with the purchase.

*In order to match the actual invoice cost of an item to the budgeted total amount, it is occasionally necessary to add the number of units (Quantity being purchased) to the line description, change the Units to 1 and the Unit Cost to the total amount of the invoice.*
**Step 7d: Inactivating a Budget Line Item.** You cannot use the **Remove a Budget Line** option once the original Agreement has been approved. You can, instead, change the status of a budget line to **Inactive** in order to remove it from your budget calculations. Use the scroll bar to scroll to the **Status** column on the right side. Click on the word **Active** then click on the check-mark so it no longer shows. After you Tab to the next column the Status should now show as Inactive and the line item and amount are no longer included in your budget.

It is highly recommended that you execute a **Save As Draft** after completing changes to the Budget Line Item section. CTIMS will produce a **pop-up error message** if any of the changes you have made are incorrect. You can then make corrections before moving onto the next step.
Step 8: Attachments. If new Attachments, such as additional Programs of Study or Budget Narrative for new purchases, need to be added to your Agreement, select Attachments.

After saving all of your documents on your local computer, use the Browse and the Upload & Save file buttons to attach your documents to the Agreement. Click the Browse button, which will open your local computer’s file system. Navigate to the folder where you saved the files you want to upload. Select a single file to upload and click the Open button. You should now see a named document icon listed in the space under the Select Files button. If the icon lists the file you wish to upload, type in an Attachment Note (optional) and select the Upload & Save file button.

If the Upload & Save was successful, a pop up box as shown below will appear. Select OK then repeat these steps for each file you need to attach to the Agreement.
Step 9: Before submitting your budget changes, you must go into the Acknowledgements section and enter a Budget Adjustment Justification Note. In this note field you should describe ALL THE CHANGES you have made to your budget Agreement and the Reason(s) for doing so. You will also need to click in the two Validation/Certification Boxes with red asterisks (*) and make sure something is written in the Acknowledgement Note field.
**Step 10:** Select the **Submit for Approval** button (on either the top or bottom of the page) to send the **Budget Adjustment** through the approval process.

**Step 11:** You can check the status of the adjusted budget by going back into the **FLA Manage Grant Worksheets / Agreements / Invoice menu**. Use the scroll button to move to the right, then look at the status under **Agreement Approval Status**.
**Budget Adjustment After an Invoice is Started**

**Budget Adjustments** should be completed before you begin an invoice. If you do not realize you need to do a Budget Adjustment until after you have started an invoice, there are specific steps you can take.

Once you have added budget line item amounts to an Invoice, CTIMS sees those amounts as “encumbered” and will prevent those funds being moved during a Budget Adjustment. **Initiating a Budget Adjustment Process will lock down all invoicing abilities until the Adjustment is approved.**

If you have not saved your Invoice when you realize an adjustment is needed, it is best just to close out of the invoice process before you save a draft of it. You should then be able to do your Budget Adjustment and return to the Invoicing process without any complications. (See Agreement Budget Adjustment Process in this Guidebook for detailed instructions).

If you have already saved a draft of your Invoice when you discover you need to do a Budget Adjustment, you must Inactivate all Invoice Line Items where you will be changing amounts during the Budget Adjustment Process. This must be done **BEFORE** you start the Budget Adjustment Process.

**Step 1: Open your Invoice and Start a Change Request.** (Detailed instructions for this process can be found in the FLA Invoice Change Request section of this Guidebook). Log into CTIMS as the **FLA Local Finance Coordinator**.

- From the left hand menu select:
  - Grants
    - Grant Process
    - FLA Process
    - FLA Invoice Process

- Complete this information in the FLA Grant Fund Invoices List:
  - Organization Type
  - Organization (name)
  - Program Initiative
  - Search
Click on the ▶️ **small dark triangle** to the left of the words *New Invoice* to open the Invoice Summary section.

Use the scroll bar to move to the right and click on/select the applicable **Invoice Number** (the one you need to change).

Select **Next Step** on the bottom right-hand side of the screen.
Note: If your invoice has been Rejected (is not in Draft status), you will need to select the Change Request button on the bottom right-hand side of the screen before continuing. You may need to scroll right in order to make this button visible.

Step 2: Inactivate Invoice Lines. You will need to inactivate every Invoice Line Item that you have added to your invoice if you will be adjusting those funding amounts during the Budget Adjustment Process.

- Under Invoice Line Items, locate the invoice line you wish to inactivate.
- Click on the small dark triangle to the left of the Agreement Line Description and check box.
- Click on the Edit button.
➢ Under the **Is Active** column, click on checkmark in the box to "uncheck" it.
➢ Go back to the left and click the **Update** button.

➢ The **Is Active** status should now read **Inactive**. If successful you will receive a confirmation pop-up box. Click on the **OK**.
Budget Adjustment After Invoice Started

- Repeat these steps for every line you need to Inactivate. When you are done editing a line you can click on the small dark triangle to the left of the Agreement Line Description to collapse this section back down for easier viewing.
- When finished inactivating lines, select the Save As Draft button from either the top or the bottom of the screen and exit the Invoicing Process.

**Step 3: Complete the Budget Adjustment.**

Go back to the Dashboard tab (first page after logging into CTIMS) and select the following from the menu on the left side:

- Grant
  - Grant Process
  - FLA Process
  - FLA Manage Grant Worksheets/Agreements/Invoices

Complete the information in the FLA Grant Fund Invoices List:

- Organization Type
- Organization (name)
- Program Initiative
- Search

Scroll to the right to the Agreement column and click on your Agreement Number.
Complete the **Budget Adjustment Process**. See the Budget Adjustment Process earlier in this Guidebook for detailed instructions.

- Select the Budget **Adjustment Process Button** on the bottom right-hand side of the screen.
  - **Edit** the individual budget line items as necessary.
  - **Save as Draft**
  - Complete the **Acknowledgement** Section, including Budget Adjustment Justification Note.
  - **Submit for Approval**.
  - **Exit** the Agreement process.

**Step 4: Completing Your Invoice – Reactivating Invoice Line Items**

Once the Carl Perkins staff has approved your Budget Adjustment you should go back to your invoice, reactivate your invoice line items, and finish your invoicing process.

Go back to the Dashboard tab (first page after logging into CTIMS) and select the following from the menu on the left side:

- **Grant**
  - **Grant Process**
    - **FLA Process**
      - **FLA Invoice Process**

Complete the information in the FLA Grant Fund Invoices List:

- **Organization Type**
  - **Organization (name)**
  - **Program Initiative**
  - **Search**
Click on the **small dark triangle** to the left of the words *New Invoice* to open the Invoice Summary section.

Use the scroll bar to move to the right and click on/select the applicable *Invoice Number* (the one you need to change).

Select **Next Step** on the bottom right-hand side of the screen.
You will now need to **Reactivate** every **Invoice Line Item** that you previously inactivated by reversing the previous process.

- Click on the **small dark triangle** to the left of the Agreement Line Description and check box.
- Click on the **Edit** button.

- Under the **Is Active** column, click on the empty checkbox so that a checkmark appears.
- Go back to the left and click the **Update** button.
The **Is Active Status** should now read **Active**. If successful you will receive a confirmation pop-up box. Click on the **OK**.

Repeat these steps for every line you need to **Reactivate**. After you activate a line you can click on the **small dark triangle** by the Agreement Line Description to collapse this section back down for easier viewing.

When you have finished reactivating all of the line items and have completed all the selections for your budget invoice, click on the **Save As Draft** button from either the top or the bottom of the screen.

It is recommended that at this point you select the **Invoice Summary** button to view your Invoice and ensure that all items you wish to submit for reimbursement are included and the **Total Invoiced** amount is correct.

Complete your **Attachment** section by Uploading and Saving the appropriate documentation (Expenditure Reports, Invoices, Receipts).

Complete the **Acknowledgement** section by clicking the certification boxes with **red asterisks** * and entering the **exact same Date Range** as was used on Your Expenditure Reports.

Select the **Submit For Approval** button.
Tips & Tricks:

**Worksheet:**
Always save your Worksheet application as a Word Document before you start. Complete your application in the Word document then carefully copy/paste your answers into CTIMS. This prevents the loss of information if CTIMS times out on you or you do not save properly.

**Scroll bars:**
Sometimes if you can’t find the information you are looking for it is because it is located on another part of the screen. There are typically two scroll bars on each screen. One on the bottom of the page which will help you move left and right. Another scroll bar is located on the right-hand side of the screen to help you move up and down. There is also a “Top” button at the bottom of the screen that, when selected, will move you immediately up to the top of the screen.

If there is an interior table within the screen you are looking at (for example, your budget line items) the table itself may have scroll bars on the bottom and right side. Be sure to look for these if you need to move around the table.

**Tabs:**
When a new screen is open in CTIMS it shows as a Tab on the top toolbar. Every tab left of the Dashboard can be closed by clicking on the right-side X. CTIMS will then return to the previous screen.
