

It's that time of year again when Valentine's Day and prom season is upon us—this is a perfect time to prep students on etiquette that can be used throughout their professional career. And if you'd like to check out etiquette guides online, I found many videos and lists of tips for all ages with a simple search! When I taught high school I found students were very attentive as this is a topic not many families cover and no one wants to be embarrassed in public settings with poor behavior.

1. **SB 535** (Community Health Workers) An Act relating to CHW's. Creating the Oklahoma CHW Act to provide a short title, defining terms, directing the establishment of certificate (voluntary). Listing powers of CHW that require and authorize promulgation of certain rules, establishing fees, providing coed and an effective date. To view legislation:

2. **Two websites** that were featured last week at my State Leaders meeting are:
 - a. Classroom Screen—<https://classroomscreen.com>
 - b. Wonderopolis---use with “Wonderopolis Wednesdays” <https://wonderopolis.org>
3. It is that time again! We will be hosting a **virtual LTCNA Workshop** on Wednesday, March 22nd from 8:30am – 11:30am. **Registration will be open at 4:00 pm today** & close at midnight March 14th. Click on link below to register.

<https://www.eventbrite.com/e/ltcna-instructorcoordinator-workshop-virtual-tickets-523635506897>

The Zoom link and final agenda will be provided the Monday prior to the event – a tentative agenda is below.

- 8:30 – 8:45am: Welcome & Announcements
- 8:45am – 9:30am: OSDH/NAR Updates
- 9:30am – 9:40am: Break
- 9:40am – 10:15am: Testing Center Updates
- 10:15am – 10:25am: Break

If you have any problems getting registered contact Andrea Bradley at andrea.bradley@careertech.ok.gov or 405-743-5572

4. From the HST division of the Association for Career and Technical Education, Health Science

Vice President Holly Strand-Rysgaard:

The Health Science Education Division is excited to introduce you to ... [HSE - STAT \(Support Topics, All Teachers\)](#). This will be a quarterly web meeting that will be one hour in length.

The format of these sessions is as follows :

- Introductions
- Large Group Topic
- Choice of Breakout Topics
- Wrap Up
- Closing (including ACTE updates and a prize drawing for one lucky participant)

These sessions will not be in "sit and get" format. We want you to share best practices and ideas of topics that are important to you and learn from each other! The first ever HSE-STAT will be held on **Feb. 22 at 6:30 p.m. EST**. The large group topic will be ACTE Overview and your breakout session topics will be a choice of IAED in the classroom or Nursing Education. Please consider joining us! You can register [here](#).

5. **Spring 2023 Lottery Scholarship Opportunity** Please review the updated eligibility requirements before beginning the application process. The deadline to apply is January 31,

2023. [Apply HERE](#)

6. **Interested in offering Health Science program at the middle school level? Join this CareerTech sponsored webinar titled “[Boost MS Career Exploration with Project-Based Learning](#)” on Thursday, February 23, 2023 at 1pm CST.**
7. **Do you make [whole-group, teacher-led discussions](#) part of your classroom learning? I did too—but it is fascinating to think about switching to [small group, student-led discussions](#). This short video/article makes me want to find out more!**
8. Want to know [5 of the biggest education trends in 2023 \(eschoolnews.com\)](#)? I think at least two will surprise you! Check out the article above!
9. Did You Know Goodheart-Wilcox has [new titles for High School Health Careers](#)? They are not only aligned to the National Health Science Standards, but also [include HOSA Event Prep](#) information and link to stackable student certifications. “Introduction to Health Science,” 2e, “Health Science Concepts and Skills”, 2e; “Introduction to Medical Terminology”, 2e, and “Introduction to Anatomy & Physiology,” 3e. Get digital copies by emailing Laura Adamson at ladamson@g-w.com
10. **[Grand Canyon University and HOSA!](#) GCU LIVE Lessons** are completely free of charge and lead students and teachers through a hands-on, interactive learning experience on a topic of your choosing. We have lessons on multiple health care skills and in many more academic areas. Interested? Watch our short video below to see how you can bring a LIVE Lesson to your HOSA chapter. Learn more and review our full [LIVE Lesson catalog](#).
11. **Engineers develop** wearable [ultrasound patch that provides continuous imaging of the heart](#); device can measure how much blood the heart is pumping, even during rigorous exercise ([More](#))
12. Webinar on [Integrating a Framework into Curricula to Foster Clinical Judgment](#) Development With the introduction of the Next Gen NCLEX (NGN) in 2023, many nurse educators are seeking innovative ways to foster clinical judgment development in prelicensure programs. It is not enough, however, to use teaching strategies randomly but with intention considering the entire curriculum. This webinar will share recent national research findings about

effective clinical judgment teaching strategies as well as consider how best to integrate them into curricula. Join the webinar **Wednesday, February 22, 3-4 p.m.** Eastern. [Register here.](#)

13. What is **teacher burnout** and how can it be avoided? Find out by reading this article: [Teacher Burnout- Symptoms, Causes, and Strategies to Prevent It | Educational Technology and Mobile Learning \(educatorstechnology.com\)](#)
14. Join CTE professionals at **ACTE's National Policy Seminar** (NPS) to advocate for CTE, engage on federal education policy priorities and participate in the CTE Innovation Summit, included with your NPS registration or available as a stand-alone event. Happening on the final day of the event, the daylong Summit features hot topics, such as the use of augmented and virtual reality and artificial intelligence in the classroom. Further, attendees will learn more about how government officials plan to support the careers of the future. This year's NPS happens in Arlington, Virginia, **March 19–22**. [Register by Feb. 17](#) to secure the early bird rate.
15. Chisholm Trail Technology Center kicked off its **work-based learning program with a partnership with Cimarron Nursing Center**. The partnership will provide students with real-life work experience, said Superintendent Kurt Thomas. Read more on the [Kingfisher Times and Free Press website](#)
