The sun is out! The sun is out!!! Now if I only had a deck and a lake or even a pool to look at.....anyway, you should have already received one message from me via Rhonda regarding item #1

1. We have scheduled Zoom Meetings tomorrow at 10 am and 2pm. Please attend whichever of these fits in your schedule. It's not required, but I thought it might help to see some faces and talk through some strategies for how we are going to make this all work!!

Session 1

CT Zoom is inviting you to a scheduled Zoom meeting.

2. Be sure to sign up for the Chat rooms on ctyou.org. First you need to create an account, then log in the main page for Health and choose CHAT. Passcode "discussion"
3. PN Directors have a regularly scheduled meeting on Friday via Zoom. If your programmatic group would like to do the same, please let me know and I'm happy to set up a meeting for you.
4. No new information on Long Term Care—will keep you posted as I know.
5. Nurse Tim has replied to my emails! Instead of posting the response here, look for it at the end of this message and it will also be posted to the resources webpage.
6. SAD FACE---the HCC Bootcamp as we know it (or had originally planned face to face) is cancelled. There is a possibility that we might be able to pull some professional development together before the year is out if you would like, but you can take May 4-5, 2020 for Bootcamp and May 6-7 for Hands on Anatomy off the calendar.
7. OHCETA leadership will be meeting (including programmatic leaders) on Tuesday, April 6 at 2pm as originally scheduled at HOSA SLC—but now we are meeting by Zoom. PLEASE send me ideas for Summit (Summer Conference) for Health Careers Education breakout sessions. Preferably things you've seen or heard yourself and we will need presenter names and contact information as well. This is how you get sessions you'll enjoy at conference—we depend on your assistance!

8. Rhonda is working on our website which will link all emails I send out, plus all resources and attachments. Documents such as the following Nurse Tim registration steps, Zoom meeting info and other items will be there too.....watch for the email when it's loaded and ready!!

As always, keep your feet on the ground and keep reaching for the stars!!!! Kasey Kasem and Lara Morris agree! Please let us know how we can help!!
