	Statewide	169,006	175,284	176,447	4%	$21.00

Emsi occupation employment data are based on final Emsi industry data and final Emsi staffing patterns. Wage estimates are based on Occupational Employment Statistics (QCEW and Non-QCEW Employees classes of worker) and the American Community Survey (Self-Employed and Extended Proprietors). Occupational wage estimates are also affected by county-level Emsi earnings by industry. This report uses state data from the following agencies: Oklahoma Employment Security Commission.
