Appendix A: Definitions

Academically Disadvantaged – The term academically disadvantaged refers to individuals:
- ✓ Who score at or below the 25th percentile on a standardized achievement or aptitude test,
- ✓ Whose secondary school grades are below 2.0 on a 4.0 scale (where the grade "A" equals 4.0), or
- ✓ Who fail to attain minimum academic competencies.

Date of Birth – Enter the month, day and year the student was born. NOTE: The format for uploading files is YYYYMMDD.

Disability – A disabled individual is anyone with any disability (as defined in section 3(2) of the Americans with Disabilities Act of 1990), which includes any individual who:
- ✓ Has a physical or mental impairment that substantially limits one or more of the major life activities of that individual,
- ✓ Has a record of impairment as described in paragraph (1) of this definition,

Or
- ✓ Is regarded as having an impairment described in paragraph (1) of this definition.

This definition includes any individual who has been evaluated under Part B of the IDEA and determined to be an individual with a disability who needs special education and related services and any individual who is considered disabled under Section 504 of the Rehabilitation Act of 1973.

"Disability," when applied to individuals, means "individuals who are mentally retarded, hard of hearing/deaf, speech or language impaired, visually impaired/blind, seriously emotionally disturbed, orthopedically impaired, autistic, head injuries or persons with specific learning disabilities who, by reason thereof, require special education or related services and who, because of their disabling condition, cannot succeed in the regular Careertech education activity without special education assistance."

NOTE: All students identified as being disabled must have the proper documentation on file in the event of an audit.
