CTIMS Helpful Tips

- There are scroll bars located at the bottom and right of some of the screens in CTIMS. If you cannot see all of the information on a screen, go to the right or bottom of the screen and use the scroll bar to see navigate over to view additional columns and rows.
- You can flip between screens or tabs in CTIMS. Click on any open tab at the top of your screen to toggle between them.
- You can only have 10 tabs open at one time. To close tabs, click on the **X** on the right side of the tab you wish to close, then confirm that you would like to close by clicking **OK** on the confirmation screen.

- Many sections in CTIMS can be expanded to view more detailed information by clicking on the black arrow next to the section header or line (row).

- Hold down the **Ctrl** key and click on the **+** or **-** keys to zoom in or out.
