The purpose of this guide is to provide answers and guidance during the COVID-19 pandemic and steps moving forward.

Consistent with directives from our Governor, CDC, State Dept. of CareerTech., and our local board, our campus will be closed to the public through April 30, 2020.

Our plan is to reopen our campus to the general public May 1, 2020, but daytime students will not be back on campus for the remainder of this semester.

DAYTIME INSTRUCTION:

• On March 25th Oklahoma State Department of Education Board closed all K-12 schools for the remainder of the school year

• Our last day of school has now changed from May 20, 2020 to May 8, 2020 due to COVID-19

• HPTC Students will receive the grade they had on March 13, 2020 (Friday before Spring Break)

• If a student wants to improve his/her grade, they should contact Mr. Holt @ 580-571-6128 or Mrs. Riley @ 580-571-6183 and request their desire to improve their grade. After the request is made the specific instructor will develop distance learning activities designed for their students

• These distance learning activities will not hurt the students grade, but can improve it

• If a student requests this option, all work must be completed and returned by May 1, 2020 so the instructor has time to grade and record it before May 8, 2020.

• Due to COVID-19 and the campus being closed, students will not have access to the shop areas and technology for the last two months of the FY20 school year. Due to this interruption with hands-on training, HPTC will allow students to return for the Fall 2020 semester to complete their hands-on skill portion of their current program.

• HPTC owes students two months of training, but in light of this unprecedented interruption, will offer students the entire Fall semester to help them achieve their occupational goals.

• Adult students on Financial Aid will be issued a “leave of absence” to be used in the Fall Semester due to the COVID-19 interruption

**IF YOU HAVE QUESTIONS REGARDING DAYTIME INSTRUCTION, PLEASE CONTACT MR. HOLT AT 580-571-6128 OR MRS RILEY AT 580-571-6183 AND LEAVE A MESSAGE**

PRACTICAL NURSING (PN):

• Practical Nursing will continue its program due to State Board of Nursing guidelines and to help support the need for nurses during the COVID-19 pandemic.

• Due to this program being a lock-step format it would be very difficult to mix the current class with the new Fall 2020.

• ALL current PN students have internet access and will be continuing their PN coursework remotely. PN instructors will use ZOOM for lectures and GroupMe plus email to communicate.

• Our plan to complete this program before the end of May 2020 unless other national, state or local restrictions develop.

**IF YOU HAVE QUESTIONS REGARDING THE PN PROGRAM, PLEASE CONTACT OUR PN DIRECTOR MICKY MCDONALD AT 580-571-6101 AND LEAVE A MESSAGE**

HOW DO I GET PERSONAL BELONGINGS FROM THE TECH CENTER:

• Students who need to pick up personal belongings will need to contact Mr. Holt or their instructor beginning Monday, April 6th in order to schedule a time to pick up their possessions. Please know that we will be following CDC guidelines through this process. No loitering will be allowed and students will need to pick up their belongings and leave campus immediately.

MAJOR EVENTS:

END OF SEMESTER

• The last day of the Spring semester will be May 8, 2020.

• Any students requesting distance learning activities to improve their grade must have it completed and returned by May 1, 2020 so the instructor has time to grade and record the work before May 8, 2020.

AWARDS ASSEMBLIES

• HPTC will not be rescheduling any of our awards assemblies at this time. All student awards and recognition will be distributed to the appropriate students in a timely fashion following the completion of the semester.
