

Mozilla Firefox Setting for Viewing Assessment Overview and other Reports When Not Appearing Full Screen

1. Run the **Assessment Overview Report** (see the *CSA Manual* or *CSI Manual* for instructions on running this report)
2. **Right-click (#1)** in the frame and choose **This Frame (#2)**, **Open Frame in New Tab (#3)**

The screenshot shows the Questionmark assessment overview report interface. The report title is "2013 Law PSSC Core Assessment". The report was generated on August 28, 2013, at 12:34. The interface includes a navigation menu with options like Home, Authoring, Administration, Reporter, Analytics, Results, and Settings. The report content is displayed in a frame. Annotations with green callouts and arrows point to specific actions: #1 Right-click (pointing to the report frame), #2. Select This Frame (pointing to the "This Frame" option in the context menu), #3. Select Open Frame in New Tab (pointing to the "Open Frame in New Tab" option), and #4. Select Open Frame in New Tab (pointing to the "Open Frame in New Tab" option). The context menu also shows other options like "Show Only This Frame", "Reload Frame", "Print Frame...", and "View Frame Source".
