Scoring is based on the percentage of applicable criterion checked.

30% (15 pts) = basic, 45% (22 pts) = merit, and 65% (32 pts) = excellence (at least one criterion from each of the eight categories must be checked and a tobacco free commitment uploaded with the application for excellence)

The following entities may be contacted for additional assistance regarding any of the criteria:

- Community Analysis and Linkages Community Development Services, OK State Dept. of Health, 405.426.8300 or CenterTA@health.ok.gov
- County Health Department Health Educators (Outside of Oklahoma and Tulsa Counties)
