Re: Request for Review of Agency Action Oklahoma State Board of Chiropractic Examiners

Dear General Drummond:

This letter serves as a request by the State Board of Chiropractic Examiners ("Board") for review of a proposed agency action in compliance with Executive Order 2023-13. The Board intends to discipline Lance Quintana ("Respondent") pursuant to the Oklahoma Chiropractic Practice Act.

This Matter came on for hearing before the Board on March 14, 2024, and April 25, 2024. Respondent appeared pro se on March 14, 2024 and failed to appear on April 25, 2024. The evidence presented at the hearing on March 14, 2024 showed Respondent failed to comply with a Consent Order previously entered by the Board on March 23, 2023. Through his own testimony, Respondent admitted to failing to comply with the Consent Order. At the Board meeting on March 14, 2024, a motion was made continue the matter to the regularly scheduled Board meeting on April 25, 2024 in order to give Respondent an opportunity to come into compliance with the Consent Order. Respondent failed to appear at the regularly scheduled Board meeting on April 25, 2024. A motion was made to find Respondent in violation of Board rules and suspend his license until such time as he was fully in compliance with the previously entered Consent Order. The motion carried.

The Board is authorized to regulate the practice of chiropractic in the State. 59 O.S. 161.4(A). Title 59 O.S. § 161.12(A) provides the penalties which may be imposed by the Board:

A. The Board of Chiropractic Examiners is authorized, after notice and an opportunity for a hearing pursuant to Article II of the Administrative Procedures Act, to issue an order imposing one or more of the following penalties whenever the Board finds, by clear and convincing evidence, that a chiropractic physician has committed any of the acts or occurrences set forth in subsection B of this section:

1. Disapproval of an application for a renewal license;

2. Revocation or suspension of an original license or renewal license, or both;
3. Restriction of the practice of a chiropractic physician under such terms and conditions as deemed appropriate by the Board;
4. An administrative fine not to exceed One Thousand Dollars (\$1,000.00) for each count or separate violation;
5. A censure or reprimand; and
6. Placement of a chiropractic physician on probation for a period of time and under such terms and conditions as the Board may specify, including requiring the chiropractic physician to submit to treatment, to attend continuing education courses, to submit to reexamination, or to work under the supervision of another chiropractic physician.

Title 59 O.S. 2011, Section 161.12(B) (13) provides that the Board may discipline a licensee for the following:

B. The following acts or occurrences by a chiropractic physician shall constitute grounds for which the penalties specified in subsection A of this section may be imposed by order of the Board:

13. Violating any of the rules of the Board.

The Oklahoma Chiropractic Code of Ethics, OAC 140:15-7-5(15), provides:

(15) Chiropractic physicians shall not violate any lawful order of the Board previously entered in a disciplinary hearing or fail to comply with a lawfully issued subpoena of the Board.

The Board's action will advance the State's policy of protecting the public from unscrupulous chiropractors. I have included all exhibits and the Final Order from the hearing on April 25, 2024. Please let me know if you need any additional information.

Beth Kidd,
