

CHAPTER 15. SPECIAL CERTIFICATES AND MISCELLANEOUS PROVISIONS

Subchapter 5. Authorization for Injectables

140:15-5-3. Education and training

Approval of education and training in administration of vitamins, minerals, nutritional supplements by means of injectable procedures offered to satisfy the provisions of 140:15-5-1 and 140:15-5-2 is vested solely in the Board. No educational program shall be offered, advertised or marketed for the purpose of certification prior to being approved by the Board. ~~At least ninety (90) calendar days prior to offering any education and training program, the individual or group offering said program shall submit to the Board for approval;~~

- (1) An application to provide education and training in administration of vitamins, minerals or nutritional supplements by means of injectable procedures;
- (2) The course outline and course description of such program; (3) The faculty name(s) and credentials
- (4) A complete set of course materials and examination; and
- (5) Fees and or costs to each participant

140:15-5-5. Injectable Formulary

(a) A chiropractic physician who is authorized by the Board to administer and use injectables may possess, prescribe, and administer the following by intramuscular, intra-articular, intravenous, or subcutaneous routes, the route of administration and dosing shall be in accordance with the product's labeling, as approved by the United States Food and Drug Administration, and the manufacturer's instructions:

- (1) Vitamins;
- (2) Minerals;
- (3) Nutritional supplements.

(b) The products listed in subsection (a) of this section must be obtained from a wholesale distributor, manufacturer, pharmacy, or outsourcing facility licensed under the Oklahoma Pharmacy Act, 59 O.S. §§ 353 et seq.

(c) Any injectable material that is compounded from products listed in subsection (a) of this section must likewise be obtained in its final form from a wholesale distributor, manufacturer, pharmacy, or outsourcing facility licensed under the Oklahoma Pharmacy Act, 59 O.S. §§ 353 et seq. A chiropractic physician who is authorized by the Board to administer and use injectables, may not compound products for injection.

(d) A chiropractic physician who is authorized by the Board to administer and use injectables shall not possess, prescribe, or administer injections of the following:

- (1) Stem cells;
- (2) Unlawful drugs, medicines, serums, or vaccines, including, but not limited to, Procaine and Lidocaine; and
- (3) Biologics and blood products including but not limited to Platelet Rich Plasma Therapy, Platelet Injection Therapy, and Autologus Activated Platelet Therapy; and
- (4) Any substance that the Board has not determined to be within the scope of practice, pursuant to a declaratory ruling.

(e) Chiropractic physicians working under the direct supervision of an allopathic or osteopathic physician shall only provide services within their scope of practice as set forth in the Chiropractic Practice Act and Title 140 of the Oklahoma Administrative Code.

SUBCHAPTER 8. ANIMAL CHIROPRACTIC DIAGNOSIS AND TREATMENT

140: 15-8-3. Animal chiropractic certification card

(a) Effective November 1, 2011 all chiropractic physicians certified by the Board in the practice of animal chiropractic diagnosis and treatment shall be issued a certification card by the Board. Each certification card must contain:

- (1) the original license number of the chiropractic physicians certified in animal chiropractic diagnosis and treatment;
- (2) the chiropractic physicians animal chiropractic diagnosis and treatment certification number; ~~and~~
- ~~(3) a passport style photo~~

(b) Each animal chiropractic physician shall carry the certification card with them at all times.

(c) The certification card is valid only as long as the chiropractic physician remains certified by the Board to engage in the practice of animal chiropractic diagnosis and treatment. If for any reason the chiropractic physician's certification is removed by the Board, the animal chiropractic certification card is to be returned to the Board within five (5) calendar days of receipt of notification that the chiropractic physician is no longer certified to practice animal chiropractic.
