

School Resource Officer Training

The SRO course is a 40-hour CLEET training course, including 4- hours of mental health. The training is designed for any law enforcement officer or security professional working in a school environment. Officers will gain a solid understanding of the duties of an SRO, and develop skills necessary for building meaningful relationships with students and staff, while providing safety and security that is necessary for Oklahoma Schools.

KEY TOPICS

- The SRO Role and Ethics
- Emergency Operations Planning
- School Law
- FERPA
- Behavioral Threat Assessment
- CPTED Principles and Risk Assessment
- Social Media and Digital Culture
- Verbal De-Escalation
- Bullying and Traumatic Stress

No Cost to Attend - Enrollment is limited
