

# The New Year's Day Targeted Automobile Ramming Mass Casualty Attack ×

June 10, 2026 11:00 AM-12:00 PM CT

 **Share session**

Police/EMS

Boomer A

A firsthand account of the Terrorism Attack as experienced by Andrew Packer and other members of the NOPD & NOPD Medical Response Team. The presentation highlights their integration with New Orleans EMS as a rescue task force, the rescue, treatment, and extrication of patients from the scene while operating within a blast zone with known improvised explosive devices, and known planning, implementation, and execution of the terrorism plan by ISIS Terrorist Shamsud-Din Jabbar.
