

Identifying and Intercepting School Violence through Cyber-Investigation

Enforcement and School Officials must know how to proactively respond to threats of school violence Online. Especially when there is Online "Leakage" threatening students and school personnel. Being trained to identify the perpetrator immediately provides Enforcement and School Officials the ability to act quickly and effectively to reduce the threat of school shootings and other forms of violence. This class's main purpose is to give the student making the threats the mental health help they need BEFORE their shooting starts.
