

COURSE DESCRIPTION

LESS LETHAL 2-DAY INSTRUCTOR REQUALIFICATION COURSE

The 2-day Less Lethal course offers the very latest information in munitions from Defense Technology® and provides instruction for their application. This accelerated course is the best way to renew your 4-day ICP Instructor credentials for another three years in half the time and for less money.

COURSE OVERVIEW

The course is separated into classroom and range drill segments for the following disciplines: Oleoresin Capsicum (OC), Less Lethal Impact Munitions, Chemical Munitions and Distraction Device® models.

CLASSROOM TOPICS

- Technical information
- Tactical considerations
- Legal considerations
- Instructor development

RANGE DRILLS

- Technical aspects/tactical applications
- Live-fire range exercises

COURSE BENEFITS

This course is conducted by real-world professionals with strong operational and applied experience in their respective fields. Upon completion of the course and successfully passing the final exam, the student is authorized to provide in-service training to their agency in specific areas for three years from the testing date.

Classroom size is limited.
