Oklahoma State Board of Cosmetology & Barbering is a non-appropriated state regulatory agency. As a non-appropriated agency, the state board acquires all revenue from licensing fees and contributes 10% of all revenue to the state general revenue fund. OSBCB is required to follow all state purchasing and financial guidelines.

Course Clock Hours:

Cosmetology/Barbering 1500 Hours

Manicurist 600 Hours

Esthetics 600 Hours

Cosmetician 600 Hours

Master Instructor 1000 Hours

The Board currently operates with a reduced staff due to the financial constraints associated with the additional expense of salaries. This limitation is necessary to prevent further depletion of the yearly cash balance. Despite the recognized need for a full staff, the Board's current financial situation limits it from hiring up to its legislative cap of 16 employees.

Because the Board's technology has not been updated since the early 1980's. Upgrading has been challenging for both the board, licensee, and the software vendor. The technology needs encompass, testing, inspection, and licensing. This is necessary to better serve the public and provide a customer centric focused solution.
