Choose Quarter: **10/1/2031/2018**

1. TOTAL number of **individuals who received services** during the reporting period: _____.

INSTRUCTIONS: Count all individuals served by your organization with the use of VOCA plus match funds during the reporting period. This number should be an unduplicated count of people served during a single reporting period, regardless of the number of services they received or victimization types with which they presented.

DO NOT count anonymous contacts here. They should be reported in question 2. If your organization only had anonymous contacts, enter zero (0).

2. TOTAL number of **anonymous contacts** received during the reporting period: _____.

INSTRUCTIONS: Count all anonymous contacts received by your organization through a hotline, online chat, or other service where the individuality of each contact cannot be established. If your organization did not have any anonymous contacts enter zero (0). **Only count as a contact if a victimization is reported AND a service was provided.**

3. Of the individuals entered in Question 1, how many were **NEW** individuals who received services from your agency for the **first time** during the reporting period? _____.

INSTRUCTIONS: Report the number of NEW individuals served with the use of VOCA plus match funds for the first time during the reporting period. This number should be an unduplicated count of identified NEW clients served during a single reporting period, regardless of the number of services they received or victimization types with which they presented.

For the first quarter of the 12-month grant period, ALL individuals that are continuing to receive services from the previous subgrant period should be counted as NEW.

If your organization cannot track new individuals, please check the box below indicating such.

☐ We cannot track new individuals.

Definitions:

Reporting period = Quarter for which data is being reported

Subgrant period = 12-month project period

4. DEMOGRAPHICS (Only for individuals identified in Question #3, if applicable. Totals must match information reported in question #3. These will auto calculate by tabbing to the next line. DIRECT SERVICES

6. Number of individuals assisted with a victim compensation application during the reporting period: (Also add this number to B4 below). **Note: Individuals assisted with victims compensation applications should not exceed the combined total of individuals served in Q's 1&2**

7. Select all types of services provided by your organization during the reporting period. **Data entered for the service types should coincide, at some point with the 12-month subgrant award period, with the service types reported on the Subgrant Award Report (SARS), under "use of VOCA and Match Funds". Providing more services than anticipated is perfectly acceptable; however goals and objectives may need to be modified and a new Subgrant Award Report (SAR) will need to be completed. If there has been a change in the goals and objectives of the project, please e-mail VOCAhelp@dac.state.ok.us. Do not check a category below unless numbers will be entered in Q. 8 for that category.**

The most common error is the failure to report the crime type(s) and service(s) provided to anonymous contacts. If the crime type(s) AND service(s) provided to an anonymous contact are unknown, OVC does not want them included in your count of anonymous contacts in Q 2. Please correct the report before submitting.

VALIDATION CHECK PRIOR TO REPORT SUBMISSION:

Combined total of Q's 1 & 2: Individuals and Anonymous Contacts Receiving Service(s)

Combined total in Q 5: Individuals Receiving Service(s) Based on Presenting Victimization (s)

Combined total of A-E: If the following number is less than the combined total of Q's 1 & 2 shown there is an error in the above number of individuals service reported on either A-E or Q's 1 & 2.

Please make corrections before submitting the report.

9. Additional comments (include any comments pertaining to questions above; identify the question number the additional comment(s) apply to):
