Validation Check

Combined total of questions 1 & 2: Individuals and Anonymous Contacts Receiving Service(s)	
Combined total in Question 5: Individuals receiving Service(s) based on presenting victimization(s)	
Combined total of A-E: If the following number is less than the combined total of questions 1 & 2 shown, there is an error in the above number of individuals service reported on either A-E or questions 1 & 2.	

The most common error is the failure to report the crime type(s) and service(s) provided to anonymous contacts. If the crime type(s) AND service(s) provided to an anonymous contact are unknown, OVC does not want them included in your count of anonymous contacts in Question 2.

PLEASE MAKE CORRECTIONS BEFORE SUBMITTING THE REPORT TO
